1	Many new sights and restaurants that I enjoy going to, I love that the city is very upscale.	5/27/2020 7:57 PM
2	People congregated out here because of affordability and an opportunity for a better life. This is no longer the case. I am 44 single mother of two teenage girls. I am struggling with some health conditions preventing from working full time. I see no substantiated efforts to protect or provide any real assistance to promote an avenue to economic sustainability for the average middle age woman.	5/27/2020 4:30 PM
3	I am happy with adding the Etiwanda Preserve and the PET	5/26/2020 11:34 PM
4	Traffic density has increased on most North / South arteries.	5/26/2020 7:42 PM
5	I like the community based city that we're evolving into.	5/26/2020 7:20 PM
6	Poor planning of trails used for exercise. Not enough connectivity. Too much need for walking in the streets.	5/26/2020 6:17 PM
7	As a Sports Advisory member, the city has not been as transparent with us in recent years as they have in the past. Youth sports has been suffering in recent years. New parks have been added and/or planned for without our input. The loss of the Parks and Rec committee has not been a good thing for youth sports. The recent annexation is a good example. The reduced lots sizes will not be good for the equestrians and there is no plan for space for the additional kids to play organized sports.	5/26/2020 2:29 PM
8	Too many high-rent rentals!	5/21/2020 8:26 AM
9	Like any other city, there seems to be more homeless. More people panhandling through out the city for money. I give money to charities, but I really hate being asked for money & telling them, no, in store parking lots. Now with this virus, there will be more people out of work.	5/20/2020 7:41 PM
10	Lived here since 1977 Pro: Community Centers, libraries, trails, parks, and city-wide landscaping Cons: Excessive building permits NE Rancho, population density putting a strain on schools and infrastructure; subpar street maintenance (Banyon-Haven to Etiwanda Ave; Hermosa-210 freeway to the foothills; & Milliken middle from Baseline to Banyon.	5/20/2020 7:25 PM
11	Poor very poor response time to concerns about possible potential health related deteriorating neighbor property.	5/20/2020 4:28 PM
12	it would be nice if someone would fix the traffic lights. needs much improvement	5/20/2020 8:32 AM
13	Dining experiences have improved	5/19/2020 7:28 AM
14	Too many people	5/16/2020 8:14 AM
15	Increased traffic and crime	5/16/2020 1:19 AM
16	The City of RC over all is amazing. I have to say "somewhat worse," because I work(ed) for the City for 13+ years. As I've advanced, I've noticed more and more that the City seems to protect its leaders from their own employees rather than the other way around. Its frustrating and demoralising at times.	5/15/2020 11:39 PM
17	As our city has grown Obviously there's been an increase in traffic especially around our main artery street which is foothill and baseline. The population has grown and i am sure it is over 200k. I believe crime has also increased. This is still where i will call home for the rest of my life. I appreciate how our city was originally planned. No strip clubs or other undesirable places were established here. This is a family oriented community That maintains higher rent and housing values to keep the riff raff out. We also take public safety seriously as we have the largest patrol contract with the sheriff's department. Overall I think bringing in the Rancho Cucamonga Quakes and Victoria Gardens were both Fantastic ideas. Overall this is a fantastic place to live, if one wants to venture out we are close to the beach and the mountains and amusement parks. Living in Rancho Cucamonga Is a privilege and I an a proud lifelong resident.	5/15/2020 10:54 PM
18	There had been a very unpleasant odor in the atmosphere that was pungent and nauseating to the point where I could not open my windows and that has disappeared.	5/15/2020 10:47 AM
19	Seeing more transients in the area. Amount of crime seems to have gone up.	5/15/2020 9:43 AM

21	Outside the additional/constant buildings	5/14/2020 11:36 AM
22	The city has become congested without a real plan to alleviate the cramped space. They continue to build highly populated areas without giving more parks with sports fields or a sports field complex.	5/14/2020 9:10 AM
23	The City will not invest in the parks on my part of town. As things break or need normal maintenance it seems to be a battle to get things accomplished.	5/14/2020 2:35 AM
24	Now retired, able to enjoy classes offered by Senior Center. MOre time to walk, especially the lovely paseos and parks	5/13/2020 10:27 PM
25	I have only lived in RC 7 months so I haven't seen any measurable change.	5/13/2020 12:25 PM
26	There has been an emphasis on building more apartments. While I think senior apartments are a good idea, there is too many people in smaller areas, no parking and increased traffic. It's been almost impossible to drive through the city without seeing the impact of that.	5/13/2020 9:58 AM
27	Great shopping & restaurants to visit w/the addition on Victoria Garden's.	5/12/2020 4:33 PM
28	More great restaurants!	5/12/2020 2:47 PM
29	Clear direction and leadership, especially in critical times has assisted me in performing my job functions.	5/11/2020 5:52 PM
30	More crime, all new housing is condos and not homes packing it in to the neighborhoods.	5/10/2020 7:15 AM
31	There's more homelessness compared to 5 yrs ago. Some of the employees at certain establishments, have a " I don't really care about you " attitude. I have had to completely go out of my way to receive better service. It work ethnics, prejudice and superior complexities...	5/9/2020 6:37 PM
32	Need more social distance to be respected	5/9/2020 3:16 PM
33	Crowded. City taxes and property taxes are ridiculous.	5/9/2020 9:09 AM
34	Trails have disappeared and parks have become less maintained. Crime is up and accidents numbers have increased	5/9/2020 6:33 AM
35	I want to move my family near my parents but there is a severe lack of affordable housing.	5/9/2020 12:25 AM
36	More crime and more homeless in parks	5/8/2020 10:12 PM
37	No vision for aesthetic consistency. Visual intrusion. Ugly architecture. No planning for growth — roads, parking. L, etc Victoria Gardens needs to be reimaged. Rethink what the pedestrian future will be in unsafe conditions. Rethink the distribution of goods and services. Rethink the safety and efficiencies of public transportation. Our world has changed forever. What will you offer the younger generations who cannot live within the old paradigms and archaic business models?	5/8/2020 9:11 PM
38	It is too crowded. Crime is on the rise.	5/8/2020 9:05 PM
39	Ever since John Gillison became city manager, Rancho Cucamonga has lost its luster, R.C. used to be a beautiful city, it's current management (city council, city maintenance management, etc....) has destroyed what used to be the most beautiful city in the Inland Empire.	5/8/2020 8:50 PM
40	Being a city employee, I have learned about what resources are available to us in order to strive for an ergonomic work environment.	5/8/2020 2:31 PM
41	The City and its services have expanded.	5/7/2020 10:42 AM
42	I have enjoyed working for the city since the day I arrived - over the past 6 years my experience has improved as I have learned more about the city, grown closer to my colleagues and interacted with the residents. It's truly a pleasure to work for the City of RC and to serve our residents.	5/6/2020 9:44 AM
43	I have been a resident since 1989. I have seen the City grow in a very thoughtful, progressive way. I think the leadership has consistently been forward thinking. the City grows is what I value most. As a resident, I feel I am in good hands when it comes to the direction we are headed.

44	Traffic on major streets has increased. It sometimes takes 20 minutes from Arrow Hwy to the 10 freeway entrance. that's crazy for a 3.5 mile ride.	5/5/2020 2:14 PM
45	More shopping options	5/5/2020 12:14 PM
46	Rancho has always been a wonderful City to work and live in. I say much improved because it was always great, and they continue to work hard and stay ahead for their community.	5/5/2020 11:59 AM
47	Way more high density housing making the city more crowded.	5/5/2020 11:12 AM
48	While both living and working outside of the city, Rancho Cucamonga seemed more grand and like a superior City than surrounding ones. Rancho Cucamonga has created this image for itself to those outside of the City looking in.	5/5/2020 8:58 AM
49	The growth has been at a good pace	5/5/2020 8:35 AM
50	The moral is much better and the environment feels welcoming.	5/5/2020 7:56 AM
51	We are seeing brand new housing development but still can't afford to live in any of them and that was before covid-19 imagine now with the economy crashing.	5/5/2020 7:34 AM
52	rancho only provides the basic needs for its community.	5/5/2020 6:27 AM
53	Crime, homelessness, and drug.	5/4/2020 9:50 PM
54	More amenities	5/4/2020 5:28 PM
55	We have deviated from the perception of being the best to just wanting it to be our reputation, not what is actually happening. We have lost focus and become politicians in a way. Fake interactions and avoidance of tough conversations are the norm.	5/4/2020 5:13 PM
56	Working in the City has taught me a lot about what the City has to offer. It's been a great experience working here.	5/4/2020 4:16 PM
57	The City has a good mix of residential and commercial; good places to live and places to shop, eat, and get entertainment. Growing up here, the growth is obvious but not in a bad way.	5/4/2020 4:15 PM
58	Competency and professionalism among City Employees, morale, working conditions, have all improved considerably.	5/4/2020 4:08 PM
59	Overall the City is a great place to work and they take care of their employees to the best of their ability....Thank you!	5/4/2020 3:52 PM
60	Facilities took too long to close for Covid-19. Some facilities are remaining partially open unnecessarily and providing services that aren't needed in this time. The city manager's pompous weekly messages are the worst excuse for a leader's attempt at motivation. Need I go on?	5/4/2020 3:40 PM
61	Well once I became a parent, I noticed that there isn't really a lot of things for families with little ones to do here.	5/4/2020 3:24 PM
62	been an employee for almost 20 years, this City has Grown immensely. Thanks to past and present planning it is one of the most well planned out and most desirable places to live in So. Cal and Im proud to have played a role in it.	5/4/2020 2:53 PM
63	Every year I have worked here I have seen the difference of culture and perspective change. More health and equity support and progressive cultural shift around helping underrepresented residents who have barriers around city engagement.	5/4/2020 2:48 PM
64	the city has continued to develop with housing and retail which is great for the economy, but the city is loosing that personal feel and becoming just another large city. Would be nice to see more open areas for parks and landscape.	5/4/2020 2:39 PM
65	Good roads , more convenient stores are made. More Senior housings are made	5/4/2020 2:19 PM
66	I have only lived here 2 years and just getting to know the community better has improved my experience of living and working in RC.	5/4/2020 2:17 PM

don't seem to care where we've been prior to deciding where we're going which bothers me - I feel like our history should matter so our future is better understood and planned. Also, I feel like at one time I believed that RC was what is had always said it was - a leader in innovation and setting an example for other cities to follow - now I'm not so sure. I don't think that we are as innovative as we say we are and I feel like there are so many other cities that are far more advanced in technology and ideas in general. I realize my scope of understanding when it comes to the big picture is small - I definitely don't see everything going on within our City's brainstorming... I suppose I'm just not seeing how we are a cut above the rest aside from we are a nice/safe town to be in that is also financially responsible. It's ok to not be the most innovative, but if that's what's true, we shouldn't be saying something different.

68	It's the best City ever!	5/4/2020 2:13 PM
69	It seems that the City is worried about themselves and money which the city has lost the human interaction and emotion for Staff and residents that have been in the City for ever.	5/4/2020 2:13 PM

71	Was sent to a less technical job without consideration of my skills.	5/4/2020 2:11 PM
72	My family and I moved here in 1977. I have been fortunate to grow up in Rancho Cucamonga and employed by the City for 24 years. I am proud to have grown up here both as a resident and an employee. In addition, It has been an honor to maintain the City for Family and Friends, new and older residents.	5/4/2020 2:11 PM
73	I began working for the City	5/4/2020 2:03 PM
74	There has been a lot of housing development. Rent/mortgage prices have skyrocketed, but the community is beautiful. I like that there are more cultural shops/retail spaces. I am hoping that Rancho will become more affordable for middle-class.	5/4/2020 1:58 PM
75	When I needed answers about my city job, during this time of crisis, the city praised itself on staying together as a community, but failed to give prompt and adequate information to the part time staff it dismissed. We have been left hanging and it has soured my opinion of how the city operates and whose interests it really has at heart.	5/4/2020 1:57 PM
76	Improved with expansion of community trails, equestrian trails, bike lanes and sidewalks with ADA accessibility, which is a benefit to all age groups. Improved dining options.	5/4/2020 1:56 PM
77	Not wanting to hear how things were done in the past; could be helpful today! Disposing of many plans and files; I see a lot of history gone! I'm sure the future holds bright though :)	5/4/2020 1:54 PM
78	As I've learned more about the City and met more people, the more I love it!	5/4/2020 1:53 PM
79	As an employee, the opportunities for growth and salary increase diminishes yearly. Favortism is at an all time high and to "appease" us, they let you bring your dog to work! I don't have a dog! As a resident, I applaud the growth and new businesses.	5/4/2020 1:49 PM
80	Seeing the leadership handle the COVID-19 has given me an even greater admiration for our Council and Executive Team. Great Job!	5/4/2020 1:48 PM
81	In the past the City's representatives allowed themselves to be personable. We were able to get to know them and their positions and they voiced how they felt for us, making us feel noticed/important.	5/4/2020 1:48 PM
82	More open to changes in the way business could be done.	5/4/2020 1:47 PM
83	more food places	5/4/2020 1:45 PM
84	The City is a great organization to work for.	5/4/2020 1:43 PM
85	The city is building too much. There's not enough parking in shipping centers and especially in the apartments that keep getting approved, and I don't feel like the city council is actually relatable.	5/3/2020 12:58 AM
86	More traffic Restaurants crowded no parking at mall	5/2/2020 10:30 PM
87	More crime	5/2/2020 9:02 PM
88	Too much apartment building, and it's ugly!!! Boxy apartments/condos look cold and uninviting. IF you have to build at least make it in the style of the city, grape vines=Tuscany style. Like the	5/2/2020 7:42 PM

apartments on Foothill and Center st. Those at least are unassuming and fit the city style. Warm inviting, sunny, comfy, home. Not the MONSTROSITY on Foothill and Hermosa...that is just a joke! We aren't a bustling big city, nor do we care to be. Rancho Cucamonga is (was) a gem.

89	It already was nice when we got here, with lots of parks, trails, libraries and places to eat and shop. Some has been added but we already have so many things not much was needed to add. So it's stable with some growth	5/1/2020 7:56 PM
90	Too many condos , apartments, small homes are causing increased traffic, over schools , and a rising crime rate. also our property taxes and added bonds are getting very burdensome. It's become very expensive to live here. Also we have so many parks. Why do we need more?	4/29/2020 9:37 PM
91	Increased traffic and crowding	4/29/2020 8:39 PM
92	More people have moved in and with that crime rates have gone up.	4/29/2020 11:02 AM
93	Filling the skate park with mulch is adding insult to injury... I think rails around it would have been sufficient. Seems like some city officials are on. Power trip ...	4/29/2020 10:46 AM
94	I have only lived here for about 8 months, but I appreciated the opening of Haven City Market which gave some new entertainment options that were lacking in the area.	4/29/2020 8:50 AM
95	You keep building apartments and it's over crowded. With apartments brings in lower class of people with more crime. Stop building apartments !!!! Your bringing in principals from other areas. Like Carnelian principal went from amazing then transferred we my daughter thinks the new principal is boring which a majority of students thinks he is. He needs to be at a high school. You have taken the fun out of Thoroughbred, especially for people that have lived here Their entire life and want to share the experience they had when they were young with their children but can't because it's so micromanaged and you guys don't even set aside a day or two for alta loma residents.	4/29/2020 7:56 AM
96	Lack of paved streets in residential areas. To many apartments.	4/29/2020 7:52 AM
97	More information via web communication.	4/29/2020 7:51 AM
98	I love Rancho Cucamonga and am so happy to live here, but the city has continually gotten overcrowded with tons of high volume housing being built all the time. Some newer built communities especially are an eye sore.	4/29/2020 7:33 AM
99	Too many stack and pack developments	4/29/2020 6:39 AM
100	I continue to see parks and walking areas in the city.	4/29/2020 6:34 AM
101	Overall things are improving every year in Rancho...	4/29/2020 12:21 AM
102	Still waiting on the park promised on Milliken and Baseline sine the 1980s!!!!	4/29/2020 12:17 AM
103	The city should NOT be building ANY high density communal housing. It is ruinin out city.	4/28/2020 11:55 PM
104	We moved into Rancho almost 20 years ago now. We've seen the development of houses, more houses, even more houses, and oh... houses. We've yet to see any progress on the LONG awaited Central Park project, other than the senior center.	4/28/2020 11:41 PM
105	More traffic. Unnecessary red traffic signals that are not timed to allow efficient unencumbered travel & traffic flow. Having to stop at every intersection is ridiculous... especially when there is no cross-traffic. Lack of affordable and reliable fast internet connectivity, and lack of choices. We need fast, reliable, and affordable ubiquitous gigabit (fiber or wireless) internet speeds and service to all residence and business addresses. Seek collaboration with Google to become a Google Fiber city. Take the lead for technology and infrastructure in the west end. INTEGRATE the 4-5 school districts. It's ridiculous that we have 4 elementary + 1 high school district. I realize it is a legacy of the city's past, but it's time to consolidate them. Get rid of the suicide opposing left turns at narrow intersections. You can stagger or alternate the protected left turns. Why is it necessary to make it into a game of chicken with literally inches to spare between the opposing turning cars?? A very good example is Carnelian x Baseline, also Carnelian x 19th. CRIME. The level of petty crime, vehicle and property vandalism and theft/break-ins is epidemic. ... especially in the overnight hours for vehicles. Also, mail & package theft. Set up some bait cars or mailboxes/packages. Other jurisdictions have done so. It's a quality of life issue. Homeless population. They are everywhere now. Rancho Cucamonga no longer feels "safe".	4/28/2020 11:30 PM

106	To many multi family buildings. Over populated now. Crime has increased. Need to build a water park with pools. Indoor pool at senior center.	4/28/2020 9:47 PM
107	The planning commission is corrupt. We need to protect our industrial and commercial zoning for future job growth. Higher density residential projects are a burden on our city, school and water resources.	4/28/2020 9:29 PM
108	This city has left its residents living on the west side without amenities at our parks that were here when I moved here. In addition, the building of high density buildings that are three stories make the area ugly and causes traffic congestion!	4/28/2020 8:47 PM
109	As the streets and medians are improved it doesn't quite keep up with traffic.	4/28/2020 10:38 AM
110	We've gained some nice amenities in RC, but we've also lost our only public golf course and seen congestion increase considerably.	4/26/2020 9:26 PM
111	There is definitely more crime, especially porch pirates, also more traffic, and more beggars especially in parking lots. Uglier buildings being raised around the city, like the Arte.	4/25/2020 10:57 PM
112	More homeless/mentally ill harassing people in parking lots and on the PET.	4/25/2020 9:16 PM
113	Increased traffic.	4/25/2020 8:33 PM
114	It has become too full and traffic is worse.	4/24/2020 6:23 PM
115	Too much high density building results in increased traffic and crowds	4/24/2020 7:38 AM
116	There are no new parks for children to play soccer, baseball, and softball. The little league and softball leagues have to play at the schools.	4/24/2020 7:07 AM
117	I moved here when I was 5, Just turned 41. It's definitely grown that's for sure.	4/23/2020 9:00 PM
118	Over crowded and too much commercial business. The city doesn't take care of the kids sports programs	4/23/2020 8:48 PM
119	The area is a bit nicer & I do notice that RC tries to keep the city looking nice.	4/23/2020 6:59 PM
120	You've allowed too much building of apartments to be built. The city has become too crowded.	4/23/2020 6:33 PM
121	It's starting to be overcrowded.	4/23/2020 6:17 PM
122	Feel less safe, more crime. High density housing making it more congested and puts more demands on infrastructure and apparently more demands on law enforcement	4/23/2020 5:50 PM
123	Overcrowded. Overbuilt. Crime.	4/23/2020 4:57 PM
124	Overcrowded. Overbuilt. Every inch of land gets built on. It takes 30 minutes to drive from one end of the city to another in traffic.	4/23/2020 4:54 PM
125	Increased density housing, constant crime, getting taxed excessively	4/23/2020 4:24 PM
126	Periodically, we have a homeless population, and transients passing through our neighborhoods commit crimes.	4/23/2020 2:05 PM
127	Increased taxes. Less representation. Fewer services. Higher permit fees; others who ignore permits build what they want with no penalty. Certain areas of the city receive services and others are left out. Too much traffic; too much high density housing. More crime.	4/23/2020 10:52 AM
128	It's gotten more crowded and crime ridden	4/23/2020 10:39 AM
129	I love living in RC. It is a lovely community but I find myself worried when I see so many new constructions of apartment buildings. I wouldn't want RC to end up like LA with a high density population.	4/23/2020 10:20 AM
130	Many more places to shop and more restaurants.	4/23/2020 9:10 AM
131	Parking lots are too small and there is very little mass commute transportation options.	4/23/2020 8:02 AM
132	More parks and walking trails; renovation of some area	4/22/2020 10:38 AM
133	Traffic is getting out of control. Too many new residents!	4/22/2020 6:49 AM

135	Positive growth and opportunity for all levels of social-economic status. Population has grown, but still has a community feeling.	4/21/2020 9:18 PM
136	I am not pleased with the amount of ugly, high density housing units being built.	4/21/2020 6:32 PM
137	More crime,less police presence, more traffic	4/18/2020 10:07 PM
138	The police are horrible.Their conflict management skills are the worst. My neighbor pulled a gun on me and they said there was nothing wrong with that. If I had a gun my neighbor could be dead out of self defense and I'm pretty sure a judge or jury would agree. This is just one instince with the Rancho police.	4/18/2020 2:01 PM
139	We are moving away from the American dream of owning our own homes by increasing multi residential residences in RC. We want more detached single family residences, not more apartment buildings	4/18/2020 10:49 AM
140	Fellow residents disregard the safety of others by not complying with face coverage. Their lack of understanding why face coverings is needed for the safety for others than their freedom being trampled is unbelievable. Stores not thinking ahead of spacing out , to this day grocery store at self checkout defeats the 6 feet space and then have all the customers herd out of the store at the same door(one door in and the other door exit) . People still crowding at trails and walkways and feel like their rights will not be taken away to help other be protected who are vulnerable. Many believe in thinking the herd mentality.	4/17/2020 2:06 AM
141	Lots of development and small businesses opening up	4/13/2020 11:14 PM
142	I don't think our city officials listen to the taxpayers. I don't trust them. I have been a resident since 1978.	4/12/2020 7:30 PM
143	Way too much building going on. We used to a quaint town, now traffic is horrible trying to get from one side of town to another, multi-family housing going up everywhere with as much parking for them on the street as they have inside the complex itself.	4/12/2020 6:12 PM
144	Unresponsive city officials and prioritization of tax dollars. Services I don't need(Healthy RC, Innovation department) Over paying for FD salaries and pensions. Lack of taking a role in water costs. Lack of street repairs and landscaping maintenance. Over prioritizing equestrian interests. Not enforcing RV parking code.	4/12/2020 12:47 PM
145	More traffic	4/12/2020 10:57 AM
146	More development, more people.	4/12/2020 10:48 AM
147	I've been a resident of Rancho Cucamonga for years, and have always loved it here. But now that I work for the City and am a member of Team RC, I feel like my experience here has improved significantly.	4/12/2020 10:14 AM
148	Too many racist people and stores. I live in the city for 24 years and the racist has not improved	4/12/2020 8:00 AM
149	Over building, too many high level apartments blocking the beautiful Mountain View were known for.	4/12/2020 7:50 AM
150	Prices on houses keep increasing while job wages are not sufficient to afford a mortgage. Even if you work for a government agency is not enough to live comfortably.	4/12/2020 2:58 AM
151	Over the years, I have noticed that more construction of homes have been built, which have caused more traffic, more population, and less beautiful views. Streets have looked less clean. Rent is more expensive and there are more low income apartments, which makes it hard for us renters who do not meet criteria to find a good home. Not enough homes for a veteran to buy.	4/12/2020 1:14 AM
152	More development of things that make life better. Gyms, restaurants, grocery stores, parks are well maintained, trails are clean, low crime, controlled development so we do not have urban sprawl.	4/12/2020 12:14 AM
153	Restaurants and stores do not have accurate grading displayed on their doors. Most places in Rancho are not kept clean and Sanitary, which is now more than ever a public health concern.	4/11/2020 10:59 PM
154	I feel the leadership is catering to special interests.	4/11/2020 9:44 PM
155	More venues for quality entertainment, food and shopping. Access to freeways and moderate	4/11/2020 5:56 PM

	city traffic.	
156	The city seems determined to balance housing growth with commercial growth and yet keep parks and the environment.	4/11/2020 3:24 PM
157	High density housing has produced more congestion. More congestion costs the city more money to maintain roadways. Neighborhoods are hugely impacted because roadways are left poorly manged; from policing traffic-speeding violators to applying necessary improvements to build or widen streets, or restore asphalt necessary for travel.	4/11/2020 2:07 PM
158	High-density housing has obscured views, makes areas feel claustrophobic, and creates a lot of traffic. RC has lost its "away from it all" rural charm and truly feels like an LA /SB extension.	4/11/2020 8:51 AM
159	Parks are clean and well maintained	4/11/2020 4:55 AM
160	Concerned with the crime going up and rapidly growing population	4/10/2020 8:29 PM
161	It has grown so much in a good way and a bad way. We need to slow down some of the building and make it a little smaller city. Not so big. I am not saying that we should totally cut out any improvements but slow it down just a little.	4/10/2020 6:20 PM
162	I've lived in this house since 1972, and although the air quality has vastly improved and the city of Alta Loma has grown tremendously, my life, I feel is much the same, although nearly 50 years older.	4/10/2020 2:11 PM
163	When I first moved here 33 years ago, Rancho did a much better job of maintaining streets,parks, and parkways, as well as enforcing city codes for maintaining homes and properties. That has seriously declined as the population has increased. I understand there are only 3 code enforcement officers for the entire city! This leads to lower property values, that then affects the property taxes of recently purchased homes. As a homeowner, I feel this is counterproductive and encourages new residents with much lower expectations of how to care for their property. We're beginning to look more like other blighted cities nearby.	4/10/2020 12:57 PM
164	Much better water drainage, more parks, better shopping, better dining, better air quality and quality schools and neighborhoods.	4/10/2020 10:02 AM
165	I feel like things are pretty much the same other than the new construction buildings	4/10/2020 9:51 AM
166	City has always been a safe, clean, and continually growing place to live. The changes have been upgraded roads, new communities & retail that improve the community.	4/10/2020 7:45 AM
167	When I first came here in 2010 it had a little more homeless people to it. Now the city has become more beautiful has made much improvement and making it easy to get around having Transit very close more beautiful plants and trees.	4/9/2020 9:37 PM
168	Traffic and poor signal synchronization	4/9/2020 8:09 PM
169	Landscaping districts left our housing development surrounded by weeds and looking unkept. Terrible for the price range of our houses.	4/9/2020 7:45 PM
170	Too many cars! People in the neighborhood park their cars all over, even on street corners, making driving or walking a hazard. All these apartment buildings going up and their residents parking into our streets now. That 3 story apartment building on foothill and Hermosa has their tenants parking everywhere. What happened to the "master plan?"	4/9/2020 3:33 PM
171	We moved to Rancho in September of 2018. It took us about a year to really settle in and start discovering the city and what it has to offer.	4/9/2020 2:51 PM
172	population density has increased	4/9/2020 2:42 PM
173	We have such a beautiful backdrop to our city - the mountains. We have great weather almost year around but our city development is really missing mark. I would love to see the City focus on creating a family oriented outdoor city with connecting parks and pathways with more outdoor venues as well as a downtown vibe /artisan area that will appeal to a younger professional demographic. They missed the mark with the Victoria Gardens, way too many "chain" restaurants and retail stores, restaurants are not geared for outdoor entertaining.	4/9/2020 2:27 PM
174	The biggest concern I have living in Rancho Cucamonga for 20 years is the landscaping staying nice and the large amount of rentals being held accountable to looking nice. When we moved here the landscaping was beautiful. It has definitely gone downhill. And there were a lot	4/9/2020 12:20 PM

more owners vs. rentals that have no accountability or investment in the community. I love Rancho, I love the schools- they are amazing. I loved the open spaces. I also had higher hopes for Central Park. I thought a community pool was going to be a great addition, that seems to be a distant city council memory.

175	Too many traffic stops and too much traffic.	4/9/2020 12:14 PM
176	The building of more residences has lead to an increase in traffic. I have a harder time leaving my street.	4/9/2020 7:17 AM
177	More variety of places to shop and eat	4/9/2020 12:48 AM
178	I've always had positive experiences dealing with RC residents and city staff.	4/8/2020 11:58 PM
179	More crowded apts.condos Traffic!	4/8/2020 10:59 PM
180	Better streets and traffic management, timely attention to areas that need work (broken traffic lights, trees, etc); better signage and wayfinding, bike lanes, additional parks as new neighborhoods develop;	4/8/2020 10:03 PM
181	More and more housing being squeezed in. I hope we maintain our preserve!	4/8/2020 6:52 PM
182	the city has become more populated, it is always innovating public programs and focuses on maintaining the city clean and well kept.	4/8/2020 1:15 PM
183	congestion has increased . Suburban lifestyle has been lost.	4/8/2020 1:02 PM
184	The city's effort to be a healthy, environmentally friendly community.	4/8/2020 12:55 PM
185	Seeing more homeless and criminal types around	4/8/2020 12:16 PM
186	Overcrowding; too many houses being built; impacted schools; too much traffic	4/8/2020 11:09 AM
187	I have been living g in Rancho Cucamonga for almost 36 years. I miss the grape vines and some open spaces. There are far too many apartments and condo complexes in Rancho now. I am not sure where all the students go to school. Also, lots of businesses, and some streets need to be repaved, once the businesses are built, not just patched. Overcrowding is an issue, but a clean city with beautiful landscaping.	4/8/2020 11:07 AM
188	Dislike all the construction and high volume housing. Creates more traffic and not enough improvement to traffic lights/ stop signs	4/8/2020 10:46 AM
189	It is getting way too crowded with the building of all the apartments. It used to be a small residential area. There is so much traffic on the roads. Schools are overcrowded.	4/8/2020 10:06 AM
190	I have lived in RC for 30+ years. There is too much continued building in this city, which makes the city much more crowded than it should be	4/8/2020 9:38 AM
191	The city has offered more services and classes for my children the longer we have lived here and the parks and centers have improved.	4/8/2020 9:21 AM
192	I've been a resident of RC since the 80's. I've seen it grow and develop. Most of the change has been needed, but the over-development of multi family dwellings has really impacted traffic on our streets.	4/8/2020 9:16 AM
193	The landscaping is great. Love this city. Becoming more crowded probably because of too many apartments/condos.	4/8/2020 9:10 AM
194	More housing, particularly more expensive housing above the 210, more American eateries, but less diversity of businesses, jobs, and recreational opportunities for families, workers, and senior citizens. I love the two new libraries, cultural center that brings wonderful music, plays, etc. However, most of the new businesses that have come to Victoria Gardens Cultural center complain that the rent is too high to sustain a small business, thus it is really only the franchises that are NOT unique, diverse, that do well. Even they struggle to compete against one another. Also, I love the wide open green park spaces in Rancho, that is wonderful. Could we further develop hiking trails, orchards, etc to have even more options for healthy recreational choices?	4/8/2020 8:29 AM
195	Since retirement I partake more. It has grown a lot since my children were young and participated in classes.	4/8/2020 8:24 AM
196	experience hasn't changed	4/8/2020 8:21 AM

197	Rancho is a beautiful city. It appears that the city government cares very much about how our city looks. The common green spaces are kept up, our roads are repaired and clean and there are friendly people everywhere. We are blessed to live in a city that has had these standards for years and still maintains them!	4/8/2020 8:12 AM
198	I love the PETrail and I enjoy that the city has become more health conscious, but living at Sycamore Springs Apartments has made that a little harder with their "smoke free" rule. Now that people can't smoke in their apartments, I smell a lot more smoke than I used to because they are smoking out on the sidewalks.	4/8/2020 7:58 AM
199	Access to more amenities and services	4/8/2020 7:52 AM
200	The city has gotten away from their equestrian roots. As a horse owner, Alta Loma was a big draw many years ago due to the equestrian trails, arena and 'horse community'. We are seeing that slip away and it is a shame.	4/8/2020 7:40 AM
201	I moved here in 1989 and there were only one market and no freeway. Over the years there has been tremendous growth. I appreciate all the various businesses that have opened and the careful planning of the city. What I don't like that I see happening are the many new high-density communities that are being constructed throughout the city. I feel it changes the feel of the city.	4/8/2020 7:27 AM
202	There seems to be more development of retail places When I see a lot of empty buildings. It's ok to have open spaces (like the grape vines) instead of ugly tall townhome buildings and empty retail spaces or big chain companies. We do not have to fill in every inch of space with some concrete structure. And "mom and pop" shops seems to be getting squeezed out. That being said. We do have a lot of great parks and spaces around which I love.	4/8/2020 7:13 AM
203	More crowded, more crime.	4/8/2020 7:05 AM
204	City offers sports programs in new facilities and events like spooktacular. New housing developments are upscale. Improvements to Victoria Gardens with new buildings. Love all the parks.	4/8/2020 7:03 AM
205	More housing has pro's and con's. With water demands in recent years being of concern, it is frustrating as a home owner to see so many condos and apartments being built. More people in confined close quarters may help the census and financial status of the city in ways; but home owners who pay significant property taxes and high water bills are discouraged and dissatisfied with additional housing being built.	4/8/2020 6:52 AM
206	it has not	4/8/2020 6:50 AM
207	Much more crowded now than when I first moved here. More crime in bad economic years.	4/8/2020 6:41 AM
208	Was employed in Rancho for 26 yrs; now retired having lived in Fontana 30 yrs.+ Fine balance in our local travels; Baseline primary link.	4/8/2020 5:40 AM
209	We moved here in 1982 and the biggest thing around back then was Gemco. The City is full of opportunities with Parks, Shopping and Entertainment. I wouldn't want to live anywhere else.	4/8/2020 3:47 AM
210	It seems that the growth in the city has been fairly well planned.	4/8/2020 3:01 AM
211	Access to few more children's activities	4/8/2020 2:26 AM
212	Not really changed over time. I have been living here for about two years.	4/8/2020 12:04 AM
213	Higher taxes and bonds, more crime and the homeless issues in the city and nearby have worsen my view of the city. On top all of that the city has been building more apartments and less homes. I feel apartments devalue the city. Homes increase property value and city prestige.	4/7/2020 11:54 PM
214	I've lived here for almost 50 years. I live RC	4/7/2020 11:53 PM
215	Over crowding everywhere Property taxes high The local detention center continues to attract 'not so good' people associated with it's inmates. The low income housing apartments seem to have expanded occupancy over time.	4/7/2020 11:35 PM
216	It's okay the prices on houses are very high	4/7/2020 11:00 PM
217	The city used to care about the unique ambiance of having an equestrian community. Now it seems like the city leaders are bent on doing away with it. The decline of the city's responsibly	4/7/2020 10:33 PM

for the west side parks and equestrian areas makes us look like a city in decline.

218	Traffic has become more congested in town and on the freeways.	4/7/2020 10:20 PM
219	I have lived here for over 30 years. It's a lot busier than it was, more traffic, more housing and businesses. I don't think the City was prepared for the growth we are experiencing.	4/7/2020 9:39 PM
220	Our city is well cared for. The growth is positive; it improves our economy, is aesthetically appealing and encourages families to want to live in our community.	4/7/2020 9:25 PM
221	Overcrowded.	4/7/2020 9:21 PM
222	More landscaping has been done, roads have been maintained or repaved. Archibald and Red Hill area need some roads repaved and landscaping done but overall Rancho has been a great area to live in.	4/7/2020 9:21 PM
223	Traffic congestion	4/7/2020 9:03 PM
224	adding the 210 Freeway, The Victoria Gardens Experience, working and living in RC is a plus, access amenities	4/7/2020 9:03 PM
225	Congestion	4/7/2020 8:51 PM
226	I've have lived and raised children in Rancho Cucamonga for over 30 years. I believe that the city has lost its appeal. We have numerous owners/corporation that rent and because they do not live in our community do not care about the environment or our people. I will disclose that I am African American and have experienced a huge change. I am disappointed to see our community become a smaller version of Los Angeles instead of the home-style/country/bedroom community it once was.	4/7/2020 8:51 PM
227	From newlyweds with no children to having our first born, we have experienced RC parks, Library storytime, and enjoy strolls at Victoria Gardens. Eventually we will incorporate bike rides on the walking/bike trail. We also enjoy cheering on the Quakes each season.	4/7/2020 8:51 PM
228	Somewhat a bit more info shared.	4/7/2020 8:23 PM
229	Many services, events, buildings, etc. have been added that greatly serve the community. The Haven City Market is a great example of a place that brings the community together while providing a great place for customers and employees to go.	4/7/2020 8:19 PM
230	Too much commercial-ization	4/7/2020 8:15 PM
231	Added crosswalks in front of Etiwanda high school. Bike lanes	4/7/2020 7:56 PM
232	The build of huge apartment complexes is discouraging. They are an eye sore, cause parking and traffic issues. Four way stops are now signal lights! Also, new homes over the past 5 years or so have been build too close. You can look right into your neighbors windows.	4/7/2020 7:23 PM
233	Becoming more and more crowded. Housing costs extremely high.	4/7/2020 7:14 PM
234	I have lived in Rancho Cucamonga 33 years and have seen lots of improvements in the city to make living here enjoyable and beneficial. More services, parks, shopping and volunteer opportunities	4/7/2020 7:13 PM
235	I have found the city to be an excellent place to live and feel safe in. We moved into the city in Nov. 2015.	4/7/2020 7:06 PM
236	Don't love the building of all the condos off day creek - too many people crammed in a small area!	4/7/2020 7:03 PM
237	I am proud of the care to to keep our city beautiful.	4/7/2020 7:03 PM
238	I am disappointed in the overbuilding and expansion which has resulted in chopping down trees and greenery, overpopulation on our roads, schools and stores. Also the high taxes are killing us. Please slow this down and remember what makes Rancho desirable—it's the rural outdoor feel. This is not LA. We want out greenery openness and cleanliness. The police department and fire department is great.	4/7/2020 6:58 PM
239	My family has been here for about 80 years. I am proud to see continued efforts to improve the city and try to make it work for everyone!	4/7/2020 6:54 PM
240	I fee l the town has built way too many homes. I live in the Southwestern part of the city. I have	4/7/2020 6:54 PM

lived here 17 years. We have no grocery stores and yet you put them in the North. All our shopping is done in Ontario. Everyone that lives in my area feels we are totally forgot about veer pay taxes and deserve more.

241	Needed repairs on the roads, parks and city buildings are lacking over the years. The fact that Central Park was never completed due to the citizens refusing to pay an additional tax is crazy. I believe that the city was always planning on having the tax payers pay. We are taxed enough. I always wonder about the water district. The bills rise and lower from month to month. I have no faith in the leaders.	4/7/2020 6:50 PM
242	I believe our city is financially very stable and the services we receive are great. Love our parks and the programs the city offers for seniors.	4/7/2020 6:45 PM
243	The excessive and unnecessary building of residential properties on and around Day Creek has significantly diminished my experience of living in RC. With the new homes that were built on the former flood zone area on the north side of Wilson between Day Creek and Bluegrass, the noise from cars driving on Wilson can be heard loudly inside my home, especially in the evening, and the windows closed.	4/7/2020 6:38 PM
244	While the development of the city is always done in a beautiful manner, there is now too much traffic. An example is the Etiwanda area where the development has caused the need for schools and now traffic is horrendous. There was no thought to developing infrastructure with new homes and new schools. One solution that could help alleviate traffic is to open Wilson between East and Etiwanda. Such an easy solution, but the city won't pay for this. We have to wait many years for a developer to do this. Also, Southwest Cucamonga needs as much attention as the northern part of the city.	4/7/2020 6:30 PM
245	Empire Lakes is gone, too many apartment complexes	4/7/2020 6:27 PM
246	The city is more crowded, when you drive, the light are not coordinated so it can take a much longer time to do a drive one day to the next. The new construction on Day Creek and Baseline are overwhelming as they are so closed to their the road. The new construction have a lot of darker colors and it make the atmosphere more depressing.	4/7/2020 6:23 PM
247	I have been disappointed. We live in an older part of the city. When we moved in, twenty years ago, we were told that the main cross street would be widened, and sidewalks would be added. This has not happened. We even went to a city council meeting where street widening was discussed. The decision was made not to widen or improve the area.	4/7/2020 6:19 PM
248	From visiting the city regularly to becoming a resident has solidified my opinion and cemented my decision to educate my child in this city and to also become a home owner.	4/7/2020 6:13 PM
249	Too much development	4/7/2020 6:08 PM
250	This is an elegance city with al the essential necessary condition. Revealed that more and more people moved in from else where. Lots of new home completed and fill up immediately. All my family love the city.	4/7/2020 5:58 PM
251	City planners & staff seem more intent upon reaching out to the community in sincere attempts to collect feedback and input.	4/7/2020 5:53 PM
252	More shopping	4/7/2020 5:50 PM
253	More building, more traffic-unfortunately.	4/7/2020 5:34 PM
254	Too many apartment complexes and excessive traffic. We have overloaded our roadways, yet continue to add apartments.	4/7/2020 5:24 PM
255	There are more and much more housing	4/7/2020 5:23 PM
256	Too many apartment structures being built.	4/7/2020 5:02 PM
257	I m comfortable	4/7/2020 5:01 PM
258	Becoming too expensive to live in. Building beautiful homes for way to much and not home enough cheaper options for a struggling mother.	4/7/2020 5:00 PM
259	I can see improvements, such as safe bike lanes for our kids, and more traffic signals to keep the public safe.	4/7/2020 4:50 PM
260	Too much apartments and not enough affordable single family housing .	4/7/2020 4:49 PM

261	Hmm, see above, it has pretty much stayed the same.	4/7/2020 4:46 PM
262	Victoria gardens was an nice addition. The city is clean and walkable	4/7/2020 4:43 PM
263	Both my husband and I promoted up to higher level positions (including increase in pay) and we were able to purchase a home which has since increased in value significantly and has provided us a strong investment.	4/7/2020 4:42 PM
264	I believe it has become harder to maneuver within the city due to, more traffic, large/tall living complexes, frustrated drivers, and traffic lights. I have also noticed more homeless people wandering in certain areas and a few homeless tents in fields near some homes, schools and community areas.	4/7/2020 4:40 PM
265	too many new apt. and condo projects that use architecture that does not compliment Rancho Cucamonga's "personality". We don't need any more mini-malls and multi-level box buildings with no character.	4/7/2020 4:38 PM
266	There have been several multi tenant structures built near my neighborhood. This has caused prices to rise slower than in other areas and the area over populated. I'm distressed that RC doesn't let Frontier FIOS into the area. It doesn't seem right we only have one choice for TV & internet.	4/7/2020 4:37 PM
267	Better comuniication	4/7/2020 4:34 PM
268	As a resident, I have first experience with local officials and I can understand their vision for RC. I also see a lot of value in keeping true to the cities roots and not developing dense housing in the immediate foothills.	4/7/2020 4:26 PM
269	Crime is up and some of the roads need to be repaired	4/7/2020 4:24 PM
270	Too much traffic, even during the day	4/7/2020 4:23 PM
271	More traffic	4/7/2020 4:15 PM
272	I moved here in 2006, and my son was only 3. The changes I have seen since are okay, but may need some improvement. When we moved here we were always at the parks and walking the path. As my son got older, we began visiting the parks less. I would also warn him not to hang around there long, because there would either be a fight or kids smoking. I appreciate our police officers, but they can't be wasting their time to tell people not to smoke in parks and to break up fights. Also, I am disappointed in the increase in crime around our area. My car was stolen, and a couple months later a homeless person was sleeping in it. It's insane how quickly a place can change. I love Rancho Cucamonga, and it has the best school district (hence the reason why we are still here). But, things change as they usually do in life. I just hope that things can reset from this crisis and become the Rancho Cucamonga we used to know.	4/7/2020 4:11 PM
273	I've gotten more involved and know more people living here.	4/7/2020 4:09 PM
274	There seems to be more low income people in the city. No long will I shop alone at Terra Vista Shopping Center or Staters at baseline and Carnelian. I have witness "those" individuals, cursing and attempting to pick fights with people. They seem angry and appear to be looking for trouble. This is not the city I grew up in and these shopping centers no longer feel like the Rancho Cucamonga I use to feel safe in. Every empty field is now full with apartments/townhomes. No longer Ranch Style Living with Single Family homes.	4/7/2020 4:08 PM
275	RC is allowing to many apartments and or condo's. The city is becoming so congested. Much more traffic on surface streets. I hear more crimes begin committed. Can't mail from outside post office anymore.	4/7/2020 4:06 PM
276	Over the past 10 years of working here it seems like there are more options outside for eating and recreation. I have lived here for a year and haven't noticed dramatic differences.	4/7/2020 4:00 PM
277	Too much tax revenue is spent on fire department services.	4/7/2020 3:59 PM
278	My mother was born in Belchers Ranch in 1928, in Rancho. My grandparents were working the fields in Rancho at the beginning of 1900. 2nd generation born and raised in Rancho. We were picking grapes as children where city hall is now. Have seen the growth.	4/7/2020 3:53 PM
279	More park, trail, restaurant s and shopping	4/7/2020 3:52 PM
280	New businesses and amenities come to the City, meaning I need to leave the City less.	4/7/2020 3:51 PM

281	I moved here just 3 years ago. I am not sure about change, but I love this city.	4/7/2020 3:48 PM
282	Since my husband and I first moved to RC about 20 years ago, the schools, parks, trails, and local attractions have greatly improved. We are happy to pay more in property taxes, vote yes on school funding, and support school fundraisers because we can see the improvement. We are proud of Etiwanda SD.	4/7/2020 3:48 PM
283	overcrowding, traffic, noise from traffic and airplanes and helicopters, crime increase. Too much new construction and its overcrowded .	4/7/2020 3:47 PM
284	Lack of development to Central Park has made the city stagnant	4/7/2020 3:38 PM
285	More parks and open areas for exercise	4/7/2020 3:38 PM
286	We moved here about nine years ago ago and love it. However, the homeless situation has gotten worse within the past five or so years.	4/7/2020 3:38 PM
287	Too much high density housing. Losing the hometown feel, which which was one of the draws to move here over 25 years ago. The city isn't attracting families with young children. It makes me sad to see the lack of one story starter homes. The high density housing and lack of parking is ridiculous. It just makes me very sad.	4/7/2020 3:38 PM
288	More crime, too many pack and stack apts and not enough police	4/7/2020 3:35 PM
289	My experience was negatively impacted when the maintenance and upgrades of west side parks and common spaces was reduced due to funding. I understand budget issues, but believe city funds should be distributed equitably as everyone uses the west side parks.	4/7/2020 3:33 PM
290	When I first moved here I was working in Los Amgrles, so I only experienced life here on weekends. Now that I am retired I have more fully taken advantage of the services offered and I am quite pleased with them.	4/7/2020 3:33 PM
291	Traffic. Too many people. Just my opinion. Take 30 minutes to get from one side of the city to the other side.	4/7/2020 3:30 PM
292	My wife and I moved to Rancho Cucamonga from Birmingham, AL less than 6 years ago. We immediately fell in love with our city. It's close enough to LA and the metropolitan area without feeling crushed and harried, and conveniently close to the major freeway interchanges--but it still feel like a small city. It is safe and clean. We have mixed feelings about the commercial expansion (we live near the intersection of Church and Day Creek), but we are also glad to have everything we need only a few minutes from our house.	4/7/2020 3:30 PM
293	I appreciate the care that is put into the city from the bathrooms at the park being cleaned, the grass being mowed to the graffiti being painted.	4/7/2020 3:29 PM
294	The city has become very crowded. Driving the same distance is now taking twice as long as it did 15 years ago. As the city increases, so does crime. There are many apartments that have been constructed over the last 20 years and new housing tracts everywhere. There is hardly an empty parcel of land anywhere!	4/7/2020 3:28 PM
295	More kids, not enough parks. More multi-unit housing, not enough schools or parks. More empty retail store fronts.	4/7/2020 3:27 PM
296	Though I am not sure I agree with the building of the structure at Foothill and Hermosa, I am okay with the general expansion of the city. ,and the moderate growth of businesses is satisfactory.	4/7/2020 3:27 PM
297	More traffic due to more residences and no additional roadways to account for the increase. Please do not allow multi unit buildings in residential areas	4/7/2020 3:27 PM
298	Crime and homeless rates are up. I used to feel safe running the PET and around the city in general. It is now common to run into (literally) homeless people. I've watched drug deals go on in plain sight. Prostitution remnants laying on the trails (e.g. condoms and napkins.) Make shift meth labs in plastic bins at the entrances to Heritage Trail and Etiwanda Falls. We joked that I would make my weekly 911 call during my 5am run. One morning it was a man running in jeans, a hoodie, and a backpack that was clearly over stuffed - running from some apartments. Another morning I almost tripped over a clean cut, nicely dressed man who was lying on the ground at Day Creek staring up at the sky with no shoes on a morning where it was 38	4/7/2020 3:26 PM

degrees! People smoking marijuana at the parks where the kids play sports. Can't call the police because it's not important. They will be gone by the time police arrive.

299	I'm very disappointed about all ugly multi-story higher density buildings that add to traffic, pollution and blocking views of mountains and decreasing parkway green spaces. Things made me proud of and love this city	4/7/2020 3:24 PM
300	The amount of weeds in the city. They are a blight and make the city look run down. Weeds on both residential properties and city owned properties	4/7/2020 3:23 PM
301	The city has become Less CARING about the residents and more caring about the depths of their pockets.	4/7/2020 3:22 PM
302	Traffic, rude people, too many people. Not the same city we moved to 25 years ago.	4/7/2020 3:22 PM
303	There are more businesses to frequent. On the negative side there are more apartments and that monstrosity on Foothill called the Arte. This kind of people compression does not make for a better quality of living.	4/7/2020 3:17 PM
304	Recent large multi-home developments with large, ugly walls facing the road have not yet filled with people. They are already ugly, huge and impersonal. Where were the videos about these developments when they were in the proposal stage? Yes, I was notified of the ones in my immediate neighborhood, but I am affected by them all.	4/7/2020 3:17 PM
305	More services available without having to drive to other cities. But more traffic. And more dense housing.	4/7/2020 3:13 PM
306	With growth comes growing pains, mostly in the way of construction and traffic. However, as a whole, my experience living and working in Rancho Cucamonga has been very positive and I am pleased with the development of the City.	4/7/2020 3:13 PM
307	Over population, allowing builders determine the quality of life in city, and subsidized housing bringing an element into the city that has reduced safety and increased the threat of crime - in fact - increased property crime.	4/7/2020 3:10 PM
308	I really appreciate how well kept our city is. I have lived here for 16 years and my first nine years living here I still worked in Fullerton and by the end there were 66 bars in the Downtown area and Homeless people everywhere. I love working in my city of Rancho.	4/7/2020 3:10 PM
309	Shopping experiences have expanded but with controls against unlimited growth.	4/7/2020 3:08 PM
310	I have taken advantage of more library services and social opportunities with my family. I like the development of new businesses and restaurants.	4/7/2020 3:08 PM
311	My main issue is that there aren't enough independent businesses/ mom and pop shops. There are too many corporations and franchises in Rancho. It feels like we live in a shopping center.	4/7/2020 3:08 PM
312	More traffic due to more building of apts. Condos etc. as a long term resident this increase is overwhelming and hard to understand with the water shortages and lack of increase in schools.	4/7/2020 3:07 PM
313	Too many people. Too much traffic. Too many shopping centers and housing tracks. So many franchises. What ever happened to mom and pop shops?	4/7/2020 3:05 PM

#	RESPONSES	DATE
1	I love all the masterplanned neighborhoods	5/27/2020 8:00 PM
2	I feel the growth of Rancho Cucamonga has been exceptional over the past decade however, I feel the city has shifted it's focus to accommodate people of greater financial means.	5/27/2020 4:31 PM
3	Etiwanda Preserve!	5/26/2020 11:35 PM
4	Nicely landscaped streets	5/26/2020 7:22 PM
5	Churches	5/26/2020 6:18 PM
6	I have lived here & worked here for 28 years. What I loved was the undeveloped land around the community & over the years a lot of the areas have been developed, which in some areas has been great. I love the north end of the city's undeveloped land. I have lived in Southern California all my life & can remember all the vineyards & orange groves & the open land. I have seen each city growing, where it's just wall to wall cities from San Bernardino to LA. I miss the open lands. I know you want to develop the north end of the city, but try to keep as much land untouched as possible while you're planning building more homes.	5/20/2020 7:55 PM
7	Nothing now. City Hall demonstrated lack of concern for public has destroyed the old " glad to see you" mood	5/20/2020 4:30 PM
8	The Quakes!	5/19/2020 7:31 AM
9	Nothing	5/16/2020 8:15 AM
10	The theatre arts at the Lewis Family Playhouse bring community together.	5/15/2020 11:42 PM
11	Step outside and look to the north, especially during the winter at Cucamonga peak. Is there a more breathtaking awesome site? Or how we love in a first class city without strip clubs or other slimy filth adult book stores. We have our Rancho Cucamonga Quakes and Victoria Gardens. Overall people just are happier here.	5/15/2020 10:59 PM
12	Wide streets and very little traffic.	5/15/2020 10:49 AM
13	Diversity	5/15/2020 9:54 AM
14	It's family oriented	5/14/2020 8:11 PM
15	The events that take place throughout the year for families and community	5/14/2020 11:37 AM
16	The history within the citizens. There are citizens that have lived here for 50+ years.	5/14/2020 9:12 AM
17	Growing up in Alta Loma and now owning a home and raising a son with my wife.	5/14/2020 2:38 AM
18	Landscaping through out the city beautifully upkeep, green ways along busy streets like Baseline and Haven. Improved look along Foothill. Been in the community since the 60's. Went to Chaffee College when Haven was along a stretch of vineyards.	5/13/2020 10:29 PM
19	Diversity!	5/13/2020 9:59 AM
20	A great sense of community	5/12/2020 4:34 PM
21	High quality everything!	5/12/2020 2:48 PM
22	Low crime and aesthetically pleasing parkways, roadways, entrances to the city.	5/11/2020 5:53 PM
23	The view of my MOUNTAINS !	5/9/2020 6:39 PM
24	It's always clean and neat	5/9/2020 3:17 PM
25	Nothing	5/9/2020 9:09 AM
26	with so many areas doing away with the agricultural atmosphere, its nice that Rancho still has it. In saying that however, horse owners are being ignored and the trails they once enjoyed are being destroyed or left to fall apart. They are also being blocked and nothing is being done to open them back up.	5/9/2020 6:36 AM
27	Sorry. This community is not masterplanned. It houses real-estate development. What core values does this city adhere to? You forced me to pick a selection when I cannot agree to any of them. This city needs a unified vision- not ticking boxes of achievements.	5/8/2020 9:15 PM

28	The City had an outstanding Library. They staff is the best of any library I've been to and it seems like they really make an effort to give what our families need. Amazing story times, community programs and a friendly feel. Also, the theater at Victoria Gardens is a huge asset to our community. I love being able to go see quality shows in my own city.	5/8/2020 9:14 PM
29	Nothing anymore.	5/8/2020 8:52 PM
30	The foothills of the mountains. Rancho Cucamonga has a gorgeous view when exiting the 10 freeway off Milliken Ave and going north towards the foothills of the mountains.	5/8/2020 2:32 PM
31	excellent law enforcement. best library	5/7/2020 10:43 AM
32	The greenery. I like that the City cares about the parkways and that it's a beautiful peaceful city to be in. It's not overcrowded, there's space between homes we're not all piled up together, the roads are wide, there's cared for parks and open spaces.	5/6/2020 12:39 PM
33	The City not only cares and works hard for their residents, but it does the same for its employees and local businesses. Support for all ages is also strived for whether it is classes, food distribution, the Senior Link program, etc. I love that Central Park and The Victoria Gardens Cultural Center offer so much to the community for all ages.	5/5/2020 12:14 PM
34	The community	5/5/2020 8:36 AM
35	Our local mountains, Quakes games, and local wineries/micro-breweries.	5/5/2020 7:57 AM
36	Everytime I drive in Rancho Cucamonga I admire how clean it is in certain sectors not to mention graffiti free.	5/5/2020 7:37 AM
37	A lot to offer in terms of service retail very Convenient.	5/4/2020 9:56 PM
38	The employees that in the face of resistance, they strive to continue to want to do and be better.	5/4/2020 5:19 PM
39	How modern it is compared to surrounding cities, like Pomona, Upland, San Bernardino, Rialto. All of these cities are nice, but Rancho Cucamonga is definitely a tidier, and well-kept City.	5/4/2020 4:18 PM
40	It's location and the planning of how the City is developing.	5/4/2020 3:54 PM
41	The Victoria Gardens Cultural Center! The Quakes!	5/4/2020 3:05 PM
42	I receive lots of complaints from contractors about the lack of service from other cities they work in, they all say Rancho Cucamonga has a very level of quality service!!	5/4/2020 2:55 PM
43	The importance of including the youth voice and the Latino voice in policy and programs of healthy RC.	5/4/2020 2:50 PM
44	Good city planning for improvemy if the community	5/4/2020 2:25 PM
45	Great Community/Senior Center at Central Park and beautiful Theatre for the Performing Arts at Victoria Gardens	5/4/2020 2:20 PM
46	We do not have a large homeless community and everything is kept up beautifully.	5/4/2020 2:15 PM
47	Direct access point to a National Forest. Sadly underutilized but has local economic growth potential with regulated and expanded tourism uses.	5/4/2020 2:02 PM
48	the rich history and team RC unity.	5/4/2020 2:00 PM
49	I have seen great things like gifts for children in the area during COVID-19 stay at home, but sadly it is overshadowed by being left to dangle without information from the city about the status of the part time job o was forced to leave behind when the city adapted stay at home orders	5/4/2020 1:59 PM
50	Public Safety	5/4/2020 1:50 PM
51	Diversified community members, so many religious and ethnic groups living together.	5/4/2020 1:50 PM
52	Diversity of residents and residential neighborhoods	5/4/2020 1:45 PM
53	It's not a big city but it's a safe one. Well it used to be. But the more we build houses, the busier the streets are and the more it's starting to feel like San Fernando than Cucamonga.	5/3/2020 1:00 AM
54	All my family lives here and I grew up here and raising my kids here	5/2/2020 10:31 PM

55	It's clean and our city does a pretty good job of keeping the rift raff and homeless out. My family enjoys our parks and feel safe. We appreciate our law enforcement.	5/2/2020 7:50 PM
56	Mountain views	5/2/2020 8:24 AM
57	Good people with several cultural locations. Park-like settings are nice! I really like the two libraries!	5/1/2020 7:58 PM
58	Our city is unique because our city council and mayor do not listen to the residents. Our city government has a bad reputation throughout Southern California. That's unique.	4/29/2020 9:40 PM
59	Wonderful small businesses	4/29/2020 8:41 PM
60	I only picked the four I picked because it wouldn't let me move on without but I really don't choose any of these in current times considering none of them are now true... open the city up and maybe we have a chance at reviving what once was a great place....	4/29/2020 10:49 AM
61	Conservative spending. Diversity and inclusion. Networking via internet. More outdoor activities and support of small business.	4/29/2020 8:03 AM
62	The people for the, excellent sense of community.	4/29/2020 6:41 AM
63	The libraries are amazing!	4/29/2020 6:36 AM
64	It's a Special City....!	4/29/2020 12:22 AM
65	You know what would make it even more unique and special? Yes- you guessed it. The park on Milliken and Baseline.	4/29/2020 12:18 AM
66	The parks are really awesome...but we need our own aquatic center (natatorium) with an olympic pool, aerobic/wading pool, etc. I mean, even Fontana has several pools....lets make it a 50 meter regulation pool so we can have masters swimming, lessons, etc.	4/28/2020 11:58 PM
67	Diverse population mix of people from all over the world. However, the SAFETY & SECURITY aspect needs to be addressed. It no longer feels safe in Rancho Cucamonga.	4/28/2020 11:34 PM
68	Long time residents still here. Family local businesses. Great police force keeps out homeless.	4/28/2020 9:49 PM
69	It used to promote the importance of a disciplined and balanced master plan. The current vision is off balance and motivated by politics.	4/28/2020 9:31 PM
70	The variety of retail sales in the area.	4/28/2020 10:39 AM
71	Being so close to two major freeways. The city is very clean. There is also a lot of diversity.	4/25/2020 10:58 PM
72	Cheaper than LA. Its laughable to think there is actually an equestrian community here. The trails are mostly for show just like the faux faded signs at VG.	4/24/2020 9:50 AM
73	Good schools.	4/24/2020 7:07 AM
74	Embracing it's history. It is still a shame the Grape Harvest Festival hasn't happened in years, would love to see it come back, if even just a pitiful attempt at Victoria Gardens like one of the last times. Although now in this age of Covid, I don't see that happening anytime soon.	4/23/2020 9:04 PM
75	Its main dirt trails expand our choices in recreation.	4/23/2020 2:12 PM
76	Local playhouse. Senior center. Quakes baseball experience. Mountain views.	4/23/2020 10:55 AM
77	People living in Rancho Cucamonga, very family oriented.	4/23/2020 10:22 AM
78	The winery.	4/23/2020 9:11 AM
79	Has the best pediatriac urgent care!!!	4/22/2020 10:20 AM
80	Greenery! I stayed in this city and bought my second home because i want to live in a city a greenery. Trees and parks along the streets and the mountains behind them. Please don't over build and loose that!! So important to keep up special	4/22/2020 6:52 AM
81	The libraries and the lack of crime. Also the variety of authentic ethnic food (I.e. the Asian food restaurants on Archibald/baseline!)	4/21/2020 11:45 PM
82	Government leaders that care about the community.	4/21/2020 9:21 PM

84	Diverse of culture, need improvement on race diversity	4/17/2020 2:10 AM
85	The people	4/12/2020 10:22 PM
86	Beautiful wine history and grapevines along with the citrus trees and history that goes along with that.	4/12/2020 7:51 AM
87	The general care for landscaping and public areas other than parks and trails.	4/12/2020 3:12 AM
88	City is maintained very well. No graffiti is the best attraction in this city. I love walking and not seeing vandalize walls.	4/12/2020 3:00 AM
89	The beautiful weather, many local businesses, and amazing mountain views.	4/12/2020 1:16 AM
90	Our Mountain View's are solid gold. Great neighborhoods, close proximity to LA based events but far away from LA based daily grind.	4/12/2020 12:17 AM
91	View of the mountains	4/11/2020 11:01 PM
92	Jack Lam did an excellent job in guiding the city as it was expanding.	4/11/2020 9:47 PM
93	Having the Quakes and community theater. Together with similar amenities in nearby Ontario, makes this a great suburban area.	4/11/2020 3:25 PM
94	Great Libraries, senior center and opportunities for recreation and entertainment.	4/10/2020 1:03 PM
95	The city has unique shopping at Victoria Gardens and many parks and trail throughout the city.	4/10/2020 10:06 AM
96	I live where I live because of the mature trees.	4/10/2020 9:53 AM
97	The City is responsive and innovative.	4/10/2020 7:46 AM
98	The city of special because it has many parts money places to sit beautiful trees great places to shop. And of course route 66	4/9/2020 9:39 PM
99	Two libraries and many programs for seniors and families.	4/9/2020 3:34 PM
100	The schools are the best! The trails are awesome and I love the Lewis family play house. And the mountains!	4/9/2020 12:21 PM
101	Safe and clean	4/9/2020 12:15 PM
102	I love the vineyard theme.	4/9/2020 7:18 AM
103	Proximity to the foothills and mountains.	4/9/2020 12:00 AM
104	Well planned community, pro-active City Council, strong sense of community; lots of offerings of social and learning opportunities (via the Grapevine)	4/8/2020 10:05 PM
105	Well maintained!!!	4/8/2020 6:54 PM
106	the city is committed to maintain high quality education by supporting the school system financially and providing teachers with the right tools to educate children with the best standards.	4/8/2020 1:20 PM
107	We're like a diamond in the rough here. We're a beautiful city nestled in amongst several less desirable cities.	4/8/2020 11:11 AM
108	I love our library system and parks and rec classes	4/8/2020 10:48 AM
109	It has grown slowly unlike my kids who have become adults overnight	4/8/2020 9:18 AM
110	I've lived here 43 years and have watched it grow. Sometimes too much.	4/8/2020 8:27 AM
111	I think it has a good balance of shopping and entertainment but still feels open and welcoming.	4/8/2020 7:59 AM
112	I need to stress the importance of keeping the equestrian community active and happy here. We are a large part of the entire community and we have the right to be heard.	4/8/2020 7:45 AM
113	Cleanliness	4/8/2020 7:36 AM
114	We need to keep the connection to our cities history. Don't let it slip away.	4/8/2020 7:14 AM

115	City run sports and events.	4/8/2020 7:05 AM
116	Great schools, beautiful parks and trails. It is centrally located in a very so-cal commuter friendly location. The backdrop is beautiful and you can't beat all the shops, restaurants and convenience the city has to offer.	4/8/2020 6:55 AM
117	Big city attractions and events with small community feel.	4/8/2020 3:05 AM
118	The city acts as a sort of gateway between two distinct areas in SoCal (LA area and the vaster Inland Empire)	4/8/2020 12:06 AM
119	Next to the foothills, wide open spaces and traditional homes.	4/7/2020 11:56 PM
120	Beautiful common areas, such as parks and white railed trails along the roads, creating connectivity from east to west.	4/7/2020 10:46 PM
121	My church	4/7/2020 10:42 PM
122	Continuing to embrace the agricultural history of the area.	4/7/2020 9:26 PM
123	The police department has done a good job by keeping the homeless off our streets.	4/7/2020 9:26 PM
124	It was unique with respect to the vineyards and agriculture. Not so much now. We have several developments that remind me of stacked row houses in third world countries.	4/7/2020 8:54 PM
125	Well planned city and organized community maintained by residents and law enforcement.	4/7/2020 8:50 PM
126	It feels like home! There's such a great sense of community and I always feel like I belong here. I never want to leave!	4/7/2020 8:20 PM

149	"Alta Loma" Old Rancho Cucamonga country homes, quiet neighborhoods, trails, parks, Mountain View's the inclusion of country living with Horse Back riding and walking pets on the trails.	4/7/2020 4:11 PM
150	I like all the greenery that was taken into account in planning the community. It really helps balance out the industrial and commercial parts of the city that can be an eye-soar. It also helps increase biodiversity which is extremely important and actually needs to be built upon.	4/7/2020 4:04 PM
151	Born and raised here. No place like home.	4/7/2020 3:54 PM
152	Beautiful landscaping along major streets. No panhandlers.	4/7/2020 3:53 PM
153	I especially like the well planned park trails and bike paths.	4/7/2020 3:50 PM

166	If nothing else, its name. It has many things that help make living comfortable.	4/7/2020 3:19 PM
167	Seems like the City is able to offer a little bit of everything and for the most part retains a more small town feel. The City is in a great location and everything is a short drive away. Some might argue that the City is more stringent in its commercial codes and regulations, but I would rather have that in order to ensure that there is safety and alignment with the master plan.	4/7/2020 3:18 PM

#	RESPONSES	DATE
1	affordable housing for young folks	5/27/2020 8:01 PM
2	Not enough resources for low to moderate income levels.	5/27/2020 4:33 PM
3	Density issues. The Covid Virus has shown the need for space between residences. We have enough high density. For the sake of physical and mental health in our community, future housing needs to be large lots 7000+sf.	5/26/2020 6:21 PM
4	Parks with youth sports fields. We currently do not have enough park space with youth sports fields and they are currently no plans to add any.	5/26/2020 2:31 PM
5	Open transparent honest communication with people in community	5/20/2020 4:32 PM
6	increasing renewable energy resources, increasing landfill waste diversion, recycling organic waste	5/20/2020 3:40 PM
7	I don't know, I'm moving in about 2 years	5/16/2020 8:16 AM
8	One day you're going to run out of land to develop into condos. One day all your wealthiest citizens will be in the nursing homes currently being built (no offense!). Is the City of Rancho Cucamonga an accessible place for young families to start out and invest in long term?	5/15/2020 11:50 PM
9	We need to be vigilant against crime. As populations rise so does crime. Traffic will also become more congested. Those are two of the major issues I see our city Facing in the near future.	5/15/2020 11:02 PM
10	The rise of homelessness	5/14/2020 8:16 PM
11	The rapid growth may take away from of those open spaces or areas! It may start to become to crowded and overpacked	5/14/2020 11:41 AM
12	With increasing our city population comes an increase in youth sports. The city needs to work with local Youth sport organizations to ensure that they don't have to fight over field allocations.	5/14/2020 9:14 AM
13	Supporting and maintaining the parks that already exist. Manly Heritage Park and the north west part of town. The city council gives off the impression they don't care about our part of town.	5/14/2020 2:41 AM
14	That all corners of the city are treated equally. Parks, green scape, roads and access to amenities available for all	5/13/2020 10:33 PM
15	Traffic on local freeways	5/12/2020 4:37 PM
16	Having enough money to take care of the city and pay for services	5/12/2020 2:52 PM
17	Traffic	5/11/2020 5:54 PM
18	Most of the new housing is condos stacked on top of each other. We need more single family homes built not condos with no yards/space	5/10/2020 7:18 AM
19	Stop building gated communities, it's a bit offensive.	5/9/2020 6:42 PM
20	N/a	5/9/2020 3:18 PM
21	Better youth recreation areas at parks. Better skateparks, areas and activities for youth to utilize.	5/9/2020 9:12 AM
22	Providing housing timely the demand but not overcrowding. We don't ever want to be like LA! Houses on top off houses is not our style.	5/9/2020 8:35 AM
23	Not over populating the area. Most of these responses you offer talk about mixed income and over packing an area that can't sustain a population.	5/9/2020 6:39 AM
24	Urban congestion, lack of educated citizens, lack of adequate police protection, aging population, jobless.	5/8/2020 9:18 PM
25	Homelessness	5/8/2020 9:17 PM
26	Electing moral council members without special interest.	5/8/2020 8:55 PM
27	loss of open spaces	5/7/2020 10:44 AM

PlanRC Community Visioning Survey

28	There will always be individuals able to buy houses at a higher price, but when you raise the prices you decrease local diversity. I note low local diversity in Rancho Cucamonga.	5/5/2020 3:41 PM
29	I would like to see the city build higher rather than wider. Irvine has a good amount of Condo's that are 12 stories high.	5/5/2020 2:16 PM
30	Due to the Pandemic, the City will likely need to review/revamp many policies & procedures, and restore emergency funds to be able to take care of its community again should something happen in the future. With so many part time employees not working right now, there is a very high possibility that we will lose many and need to take the time to train (and have funding for) these new employees. Something to consider saving for in the future if something were to happen again.	5/5/2020 12:27 PM
31	Provide more parks and open spaces for people to get away and simply relax.	5/5/2020 7:58 AM
32	as a city I believe that local businesses will be starving to survive during and after the pandemic. People will be forced to sell their house or move the business somewhere more affordable. The city will be a ghost town. The city should have programs for those who are willing to stimulate the economy but can't afford to live in Rancho	5/5/2020 7:41 AM
33	Homeless crime and drugs. School safety officers	5/4/2020 10:00 PM
34	Maintaining what we build without the foresight of adding funds and staff to keep it up.	5/4/2020 5:20 PM
35	I think making housing a lot more affordable, as well as making wages for City workers a lot more competitive. This is a wonderful City to live in, but there are plenty of homes that are outdated and need to be remodeled or rebuilt. The price of living is extremely high compared to what people are making in the surrounding areas. This brings me to my next point: Workers at the City of Rancho Cucamonga are not making enough to be able to sustain themselves and have to live outside of City boundaries in order to get by. Worker wages are extremely important because talent or people who have been loyal to the City for many years may leave just because another City could be paying more for the same title.	5/4/2020 4:22 PM
36	There is still a lot of uncertainty moving forward due to the current COVID 19 crisis. So concerns about the economy are real and will play a huge factor in our planning as a City moving forward. Overall I think we will be good, but things will be different and challenging for the Leadership Teams throughout the City.	5/4/2020 3:57 PM
37	no good quality restaurants above foothill. need more sit down restaurants and less serve yourself and fast food.	5/4/2020 3:15 PM
38	Traffic!!	5/4/2020 3:01 PM
39	Having housing options so that employees and residents can enjoy living in Rancho Cucamonga.	5/4/2020 2:53 PM
40	crime, homeless, loss of its hometown feeling as it continues to grow into another large city you cant tell from the next	5/4/2020 2:43 PM
41	Traffic	5/4/2020 2:16 PM
42	Air and water pollution, homeless encampments, petty crime. Loss of plant and animal habitats.	5/4/2020 2:10 PM
43	Maintaining the high standard of service with potential revenue shortfalls and increasing costs particularly if residents are reluctant to fund services	5/4/2020 2:07 PM
44	too much land development and/or recession	5/4/2020 2:01 PM
45	It needs to not forget that we are here and at home and waiting to go back to the jobs we are waiting to hear if we still have. Why has the city kept so many of its hard working crew in the dark for so long?	5/4/2020 2:01 PM
46	Traffic congestion	5/4/2020 1:52 PM
47	Becoming more self contained for living, working and recreating locally	5/4/2020 1:47 PM
48	Three city council just keep approving larger and larger communities with less parking. The city is getting and feeling crowded which it never felt before and I've lived here my whole life.	5/3/2020 1:02 AM
49	Keeping families that are interested in staying small happy. There are a lot of us that don't want	5/2/2020 7:54 PM

this city to grow anymore. We have all we need now!!

50	With COVID-19 to reopen the city safely! Please make sure safety guidelines are followed when doing this: taking temperatures, testing on a regular basis, wearing facial coverings and social distancing. We don't need any more sick people!	5/1/2020 8:00 PM
51	A high crime rate Becoming a rental city like Moreno Valley Professional and higher income residents leaving because property taxes and bonds are hurting them.	4/29/2020 9:43 PM
52	Managing an Increase in crime	4/29/2020 8:44 PM
53	Instead of focusing on 10-20 years, how about we just focus on the next couple months and open our city.... because if we don't- 10 years won't matter as the poverty level will be so high, none of these "ambitious" plans will stand a chance at becoming a reality...	4/29/2020 10:52 AM
54	There is a lack of good quality health services in the city that are not urgent care. There should also be a focus on high skill jobs and not just logistics.	4/29/2020 8:52 AM
55	Clean air, over population, spending wisely, investing in higher education and training High tech.	4/29/2020 8:06 AM
56	Stop building apartments/houses	4/29/2020 7:58 AM
57	An overcrowded city with rising home costs.	4/29/2020 7:36 AM
58	Better quality developments with more single family homes, less condo and apartments.	4/29/2020 6:43 AM
59	Crime....!	4/29/2020 12:23 AM
60	The park. The one promised in the 80s.	4/29/2020 12:19 AM
61	Just do not build any more housing unless it is single family houses. If people don't like it they can go to Fontana or some other city. The high density housing is ruining our city	4/28/2020 11:59 PM
62	Traffic. Crime. Affordable housing. School excellence..... overall/citywide, not just limited to certain neighborhoods/schools. Multi-cultural inclusion and recognition.	4/28/2020 11:39 PM
63	We need more reclaimed water distribution in commercial areas. We need more water storage. Our roads need to be repaired and engineered to prioritize motor vehicle traffic over pedestrians and bicycles.	4/28/2020 9:34 PM
64	An aging population and the services they require.	4/28/2020 10:41 AM
65	Better coordination with local school districts to reduce unsafe congestion during morning drop off and afternoon pickup.	4/26/2020 9:31 PM
66	Increase in crime.	4/25/2020 10:59 PM
67	Access to trails/ hiking. Upkeep of trails.	4/25/2020 9:19 PM
68	Slowing down growth as quality of life decreases when done too quickly. Too much growth decreases quality	4/24/2020 6:28 PM
69	Slow down the growth so we can remain a great city and sustainable. We don't want to be like any LA suburb polluted, congested, and traffic. Please stop building! Most of your options listed here involve building.	4/24/2020 7:53 AM
70	Over population, high-density houses above baseline. The schools are over crowded but the city keeps building. The city prioritizes new homes over parks for kids.	4/24/2020 7:09 AM
71	Marijuana Dispensaries, would like to at least see one sooner than the 20-30 year future you're talking about.	4/23/2020 9:08 PM
72	To take into consideration the lack of parking in areas that are overflowing with multi-family housing by Foothill & Baker! There are too many homes/people, and parking was obviously not thoroughly thought out!!!	4/23/2020 7:08 PM
73	Overcrowding	4/23/2020 6:36 PM
74	As we grow so does the crime. It's time to stop growing or we will become like any other city. We are/were special because we were small.	4/23/2020 6:21 PM

75	Keeping crime out of our neighborhoods and city. Getting high quality medical facilities and business that will support our economy	4/23/2020 6:02 PM
76	Stop building!! We have enough. We do not need a higher population with overcrowding and we do not need 10,000 restaurants.	4/23/2020 5:02 PM
77	Stop over populating the area	4/23/2020 4:27 PM
78	TEST DELETE THIS ENTRY BEFORE COMPILING RESULTS	4/23/2020 2:40 PM
79	Crime is a big issue, along with a transient population—homeless, both of which require effective policing.	4/23/2020 2:19 PM
80	Surface street traffic and speed.	4/23/2020 11:01 AM
81	Ensuring to keep the community safe given the increased growth (economic/population) of the community.	4/23/2020 10:42 AM
82	Expensive to live here.	4/23/2020 9:11 AM
83	We need more education facilities such as museums, exploring venues like a science center and zoo.	4/23/2020 8:06 AM
84	Handling the increased traffic flow due to increased population from the new housing that is going to be built.	4/23/2020 7:11 AM
85	Traffic!!! The conditions of our streets and roads.	4/22/2020 10:41 AM
86	no more housing or huge apartment/condo buildings please!!	4/22/2020 10:27 AM
87	Overcrowding	4/22/2020 6:54 AM
88	Whether economic benefits from cellular infrastructure outweigh the health harms to the citizens (see bioinitiative.org)	4/21/2020 11:48 PM
89	Redevelopment of older parts of the city.	4/21/2020 9:23 PM
90	Easing traffic congestion, population density without the necessary infrastructure and services.	4/21/2020 6:35 PM
91	Other than what you've said, I don't know.	4/21/2020 1:40 PM
92	Growing population, infrastructure not able to handle it	4/18/2020 10:09 PM
93	Contracting their police service from the sheriff's department. Rancho Cucamonga should have their own police department. I say this thinking things would be different this way.	4/18/2020 2:05 PM
94	Senior housing is so limited based on cost of housing and the affordable housing has a extremely long waiting list that grandparents move away from grandchildren	4/17/2020 2:13 AM
95	Effective Law enforcement, prevention of crime and criminal activity, and overall resident safety.	4/14/2020 3:49 AM
96	Fix our trails and our parks. Remember the residents on the west end of the city.	4/12/2020 7:34 PM
97	High taxes, employee pension costs,	4/12/2020 12:51 PM
98	Please no more housing, traffic is bad enough already	4/12/2020 10:59 AM
99	Crime. Homelessness	4/12/2020 8:31 AM
100	More education to residents about different cultures and acceptance for other races not every brown person is immigrant	4/12/2020 8:11 AM
101	Not overbuilding so that we're over polluted and populated like LA. Too much of our council is in the big builders pockets. STOP allowing over crowding, that was the best part of rancho when class sizes were small and you could get across town in less than 15 minutes. Also too much crime now with the court house being criminal only.	4/12/2020 7:56 AM
102	The city population and new home constructions are higher and this creates a less pleasurable place to live. Rancho is a beautiful city that is known for its cleanliness, views, and a great place to raise a family. The more businesses that are being built, the more this can change.	4/12/2020 1:22 AM
103	Less apartments	4/12/2020 12:18 AM

PlanRC Community Visioning Survey

104	The city needs diversity in local officials: including but not limited to schools, department, and governing bodies.	4/11/2020 11:05 PM
105	Demographic changes will necessitate flexibility in planning	4/11/2020 9:50 PM
106	Work on making a true Central Park. Preserve the foothills.	4/11/2020 3:27 PM
107	Education and educating our kids to become better adapted to the new challenges that await them and help make our city the unique place they will raise their kids.	4/11/2020 2:16 PM
108	Too expensive housing to buy for the average person	4/11/2020 4:57 AM
109	Over crowded schools. Student to teacher ratio is getting higher, which means students aren't getting the quality education they deserve.	4/10/2020 2:20 PM
110	Water shortages and high costs are current challenges.	4/10/2020 10:11 AM
111	The streets where I live need to be repaved	4/10/2020 9:55 AM
112	Keeping costs down. The size and price of government, taxes and overall cost burden continually increases.	4/10/2020 8:30 AM
113	Keep from developing open areas.	4/10/2020 7:49 AM
114	In regards to street safety, it is mind blowing that Vintage Dr between Day Creek and Etiwanda has no posted speed limit, no stop sign, and does not qualify as residential since only 12 houses actually face the street. This is an extremely dangerous street in the Rancho Etiwanda area.	4/10/2020 4:02 AM
115	Flood when it is raining. Homeless is becoming an issue. Crime.	4/9/2020 9:43 PM
116	we need to look into the harmful effects of electro magnetic frequencies and radiation now being increased by 5G networks. We need to look into how to protect our residents and especially children who are more susceptible to the harmful effects. If we do not have our health then nothing else matters.	4/9/2020 3:58 PM
117	Overcrowding and losing the prestige living in Rancho.	4/9/2020 3:38 PM
118	Too much housing. Especially apartments. Losing open spaces.	4/9/2020 12:25 PM
119	I am opposed to the stack and pack style apartments and very concerned about 5G as a major health threat. I do not know if there are plans to install 5G in here, if so, I would be inclined to move.	4/9/2020 12:19 PM
120	Parking lots are often too small and lack appropriate parking for the volume of customers.	4/9/2020 7:21 AM
121	Overcrowding with high density housing	4/9/2020 12:51 AM
122	Crime in certain neighborhoods and crime mitigation strategies (NextDoor is full of these incidents); preparing for fires/droughts and pandemics - having a good City Plan and involving residents were appropriate;	4/8/2020 10:10 PM
123	the city needs to focus on maintaining a safe neighborhood, encouraging new construction for single family homes only and bring more shopping centers to create more jobs and bust the economy.	4/8/2020 1:26 PM
124	Keeping streets in good condition. Fix the railroad crossing on Arrow, between Haven and Miliken. Rochester south of Foothill needs repaving. Crime rate needs attention too.	4/8/2020 11:15 AM
125	Overcrowding; having enough schools to accommodate the growing population; housing too expensive to include many residents; rent hikes	4/8/2020 11:13 AM
126	The biggest issue I've seen is increase in traffic within neighborhoods and no improvement to our traffic system (creating turning lanes, adding stop signs). Ramona between foothill and baseline has cars going 50+mph all afternoon and only 2 stop signs. This is not safe and i am not pleased that there have been several high occupancy housing added and no changes made for my child's safety	4/8/2020 10:52 AM
127	Overcrowding	4/8/2020 10:09 AM
128	Low cost senior living	4/8/2020 9:19 AM

129	Have jobs for the increasing senior citizens group, so that they have a chance to be gainfully employed with part-time or work at home jobs.	4/8/2020 8:32 AM
130	I know the city wants to grow but sometimes slower is better. I do not like some of the new "modern" looking townhomes the do not match the city.	4/8/2020 8:30 AM
131	I think we need to do a better job at managing traffic and cars.	4/8/2020 8:00 AM
132	I believe we are building too many multi-family dwellings. It's a shame that the city is building on every empty piece of land!	4/8/2020 7:51 AM
133	Overcrowding, too many apartments	4/8/2020 7:38 AM
134	Homelessness	4/8/2020 7:07 AM
135	Water. Parts of Rancho, especially in areas like Alta Loma, are on larger properties with more landscaping and often swimming pools. The cost of water and possible future penalties is very concerning as a home owner. It is concerning enough for consideration to relocate to another city or state. I chose to live in Alta Loma because of the beautiful and large lots. If water became too expensive or I wasn't allowed to water adequately due to restrictions, I would move. Likely, to another city or even another state. There would not be a point in paying so much for real estate and property taxes if I was living in a dry wasteland compared to what it currently looks like.	4/8/2020 7:01 AM
136	Be prepared to address the homeless issue. Making sure that the needs of a lower economic class is addressed.	4/8/2020 3:11 AM
137	A push from city/local and state government to increase taxes and bonds to push most of the items mentioned above and to increase their salaries and benefits. In addition, a push for social programs will decrease the beauty of the city. On top of that crime, the homeless and the release of prisoners will continue to be an issue for the city. Building more apartments and low income housing will compound the problem. STOP building apartments and selling out to the development companies. If you must build, build more homes.	4/8/2020 12:02 AM
138	They need to stop building. The traffic is getting horrible and theres too many stop lights.	4/7/2020 9:30 PM
139	Managing the increasing traffic on our city streets.	4/7/2020 9:28 PM
140	We've allowed the city to be over-developed and populated. We need to look at how best to slow the growth while increasing the ability to improve lifestyle. You might also look into developing social skill classes for individuals who are new citizens to this country. Many are not familiar with social norms.	4/7/2020 8:58 PM
141	Over populated but lack of staffing of law enforcement to keep communities safe or infrastructure during emergency	4/7/2020 8:53 PM

145	No more building, housing slow this down. You are changing the face of Rancho by overexpanding.	4/7/2020 7:02 PM
146	Traffic and safety (first response)	4/7/2020 7:01 PM
147	Over-crowding, retail saturation, and increased traffic congestion.	4/7/2020 6:43 PM
148	More high level jobs for our inland residents so we don't have to commute so far!	4/7/2020 6:19 PM
149	Increase in population and limited public transportation	4/7/2020 6:11 PM

residents here for more than just affordable housing. Should not have to go to Orange County or Los Angeles County for work and entertainment

153	Schools are too large, overcrowded roadways and erosion of life quality with too many renters.	4/7/2020 5:30 PM
154	It would be nice if Rancho offered housing for 55 and over that is NOT apartment living. My mom would love to have a age based community in a house not apartment or mobile homes. Seniors can afford to buy houses so why not offer a community like a Del Webb or K. Hovnanian like other cities.	4/7/2020 4:53 PM
155	Getting too much traffic. Congestion at Arrow Hwy and Etiwanda.	4/7/2020 4:53 PM
156	Growing to big	4/7/2020 4:48 PM
157	Climate changes	4/7/2020 4:27 PM
158	Not maintaining the Parks including the equestrian park and horse trails. Many trails are overgrown and unsafe for horse access. Many trails are used by homeowners to park their recreation vehicles. Not enough police presence in these areas. Everyday there are people racing in circles, doing donuts with their cars at the Heritage Equine Park. People park in front of hitching post blocking horse access. Horses have been the pride and driving force since the inception of the city.	4/7/2020 4:18 PM
159	The city has been building these high-density housing complexes without accounting for the existing homes already there or the impact on schools and roads.	4/7/2020 4:11 PM
160	Stop building low income housing	4/7/2020 4:11 PM
161	The city needs to put much greater effort into becoming more eco focused. This city is really lagging behind progressive cities that have cut back on waste, eliminated styrofoam and added composting options for restaurants and households. Those are just a few things that come to mind, I am sure there are many more... like tax benefits for green roof tops for commercial buildings and so on.	4/7/2020 4:10 PM
162	Growth should be respectful of natural space. Prevent urban sprawl.	4/7/2020 4:02 PM
163	Increasing population density may put too much strain on city services.	4/7/2020 3:57 PM
164	Too many residents, too much new housing which takes away from the scenery. Of course more \$ for the city.	4/7/2020 3:57 PM
165	Because of our location, we think climate issues, wildfires, and floods are the greatest threats our city faces in the coming decades. We need to update the flood plan and prepare residents for wildfires. We have a lot of seniors who cannot move very fast in an emergency.	4/7/2020 3:57 PM
166	Quality of Life impacts caused by ever growing commute times to jobs outside of the City.	4/7/2020 3:55 PM
167	Afdordable housing.	4/7/2020 3:49 PM
168	Overpopulation.	4/7/2020 3:44 PM
169	The need for hospital and medical services in the city of Rancho Cucamonga	4/7/2020 3:41 PM
170	Community maintenance of cracked sidewalks, old trees, and green waste clean-up in the trails. We will need more dog disposal bag/trash stations to pick up after dogs.	4/7/2020 3:41 PM
171	Planning for commercial and residential expansion while endeavoring to maintain a small city atmosphere and a friendly, safe community	4/7/2020 3:36 PM
172	Less density in housing Keep suburban feel.	4/7/2020 3:35 PM
173	Traffic	4/7/2020 3:32 PM
174	Creating more programs for kids, seniors, and people with special needs; positive relationships with law enforcement;	4/7/2020 3:32 PM
175	More parks, more parks, more parks. The kids here don't have enough space to play sports.	4/7/2020 3:30 PM
176	Higher crime rate	4/7/2020 3:29 PM
177	Overbuilding. Turning our suburbs into a big crowded city with these packed 3 story apartments that do not mesh with the single family housing.	4/7/2020 3:29 PM

PlanRC Community Visioning Survey

178	Keeping the crime rate in check will always be a challenge. One of the reasons we moved to Rancho Cucamonga was to be able to feel safe. Another challenge will be to attract and keep businesses especially as more retail business moves away from brick and mortar.	4/7/2020 3:26 PM
179	The amount of weeds and potholes/cracks in the city. They are a blight and make the city look run down. Weeds on both residential properties and city owned properties	4/7/2020 3:25 PM
180	Reducing the amount of waste produced within our community, and increasing the production of valuable goods and services created within our community.	4/7/2020 3:23 PM
181	We need splash pads or pools for families to exercise and have cool recreation without having to go to Fontana and Riverside.	4/7/2020 3:23 PM
182	Too many people. Overcrowded facilities. How big are you wanting and willing to get?	4/7/2020 3:22 PM
183	Over population due to excessive apartment buildings.	4/7/2020 3:21 PM
184	Crime, that comes with a denser population	4/7/2020 3:20 PM
185	Reduce the dense population infusion - large dense apartment population creates more traffic stress, polluted air. Subsidized housing brings more chaos, crime, destruction of school credibility. Seems the only concern of city is for the Builders to make a lot of money on the backs of the citizens.	4/7/2020 3:16 PM
186	Better schools and other learning opportunities. We need more access to transportation for people with disabilities and seniors. We need more affordable housing. Rent is too expensive and the housing market is not affordable for many families.	4/7/2020 3:13 PM
187	I don't think we should have people biking on our busy streets. If they want to bike in their housing tracks that's fine, but definitely not on any main roads.	4/7/2020 3:09 PM

Q8 Pretend that a magic genie gives you 3 wishes to make changes to Rancho Cucamonga. What would you change? Dream big, let only your imagination be your limit! This can include anything from how the city looks, to how people get around town, to types of jobs, to the socioeconomic conditions of the city, and more.

218	Over 65 years ago, City Planners sought to serve this once-agricultural area by creating a welcoming, friendly community. Today they look back AND into the future with appreciation for the past and fresh resolve for the decades ahead. There's no way they could have known that their vision would be enjoyed by the 225,000 residents who call RC their home. Today's award, recognizing the National Mixed-Use Community Excellence Award sheds new light on the high degree of communication, cooperation and participation between what once was battling interests of Industrial, Residential, Retail and Commercial land users. Looking back to the "breakthrough" moments which sought to gain fuller use of available resources, the out-of-the-box practice of space-sharing was developed. Businesses whose facilities were virtually deserted on weekends sprang into life as Youth Sports Programs descended onto parking lots. Schools which were unused during evening hours became fertile ground for advanced training as Employers filled the seats with those who sought to advance their careers. Churches served their neighborhoods like never before as their true mission became reality.	4/7/2020 6:22 PM
