As a lifelong resident, former Rancho Cucamonga Fire Chief, and Mayor since 2010, I am proud to have a role in our City's accomplishments.

Under my leadership, working with the City Council, Rancho Cucamonga is among the most desirable communities in California. Some notable accomplishments include:

Safety: Rancho Cucamonga is one of America's safest cities. I am proud to be endorsed by our Deputy Sheriffs and Firefighters. As Mayor, I have supported: the largest expansion in the history of our City's Police force, including our highly acclaimed canine units; the completion of the All-Risk Training Center and Public Safety Facility and the construction of Fire Station 8.

Fiscal Responsibility: Balancing our City budget without higher taxes; reducing costs through innovation; obtaining state and federal funding for major traffic infrastructure improvements.

Community: Creating a nationally recognized All-America City, due in part to the Healthy RC initiative to improve community health and equitable access for families, seniors and special populations; expanding our Community Schools Model and dedicating more police resources to ensure our schools' safety.

Rancho Cucamonga is truly a special place to call home. I ask for your vote to continue working to ensure a world-class community for generations to come.

CITY CLERK
CITY OF RANCHO CUCAMONGA

It has been an honor to represent you on the City Council of Rancho Cucamonga, an All-America City. I chose to call Rancho Cucamonga my home because of the safe neighborhoods, great schools, parks, award winning libraries, and its many other wonderful amenities.

As your Council Member, I have been committed to keeping our neighborhoods safe, having solid recreational programs, helping ease traffic congestion, and working hard to attract good jobs and companies.

Our team has prioritized public safety, making Rancho Cucamonga one of the safest cities in the region. City/community partnerships like Healthy RC continue to improve community health and well-being. In addition, we have been successful in maintaining a balanced budget, especially during the pandemic.

My experience with groups such as the Boys and Girls Club and the Sheriff's Information Exchange Committee has helped me better understand what our City needs to enhance our quality of life.

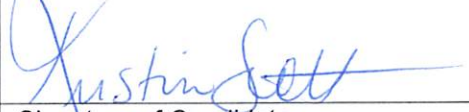

I am proud to be endorsed by public safety officials, including Rancho Cucamonga Fire.

I ask for your vote, so our City can continue to be the place where people want to Live, Work and Play. If you have questions, contact me at 909-493-9912 or scottforrancho@gmail.com.

Thank you,
Kristine Scott

My name is David VanGorden, I have been a proud resident of Rancho Cucamonga for the past 30 years and an Inland Empire resident for over 50 years. I have witnessed Rancho Cucamonga's history with its successes and failings. I view the City and its vast resources as a jewel of the Inland Empire.

I am a retired Police Officer with over 30 years experience in Law Enforcement. I can use my experience to address crime including property crimes, homelessness, violent crimes and make our city a safer place. We must take advantage of faith based organizations, neighborhood councils, and community activists to guide us forward. We must support and defend our neighborhoods, businesses, our children and our elderly. I believe in smaller government control of our city. We can no longer tolerate a dysfunctional city council. We need fresh eyes, new ideas, and better communication between our officials and our neighborhoods. I am accountable only to the residents of Rancho Cucamonga. Our leaders must have a vision that voices the needs and aspirations of the people of Rancho Cucamonga. With your vote, I can be that voice. Together we can build a city that will serve our children for generations.

**CITY CLERK
CITY OF RANCHO CUCAMONGA**

I got my first job as a 16-year-old selling tickets at Quakes Stadium, right here in Rancho Cucamonga. I started my small business here, bought my first home here, and for the last four years, I have served as your City Council Member.

When I first ran for office, I committed to improving the quality of life in our city and I believe we have made real progress. As your Council Member, I worked to:

- Improve public safety by adding more law enforcement officers and firefighters to reduce emergency response times
- Reduce congestion and emissions by beginning to synchronize our city traffic lights and adding traffic mitigation measures
- Protect taxpayers by opposing tax increases and ensuring our city budget was balanced every year without raising taxes
- Maintain our high quality of life by keeping our parks and trails well maintained and beginning construction at Central Park for the first time in a decade

My efforts helped support local businesses, reduce violent crime rates, provide essential services, and contributed to our city being designated an All-America City.

I ask you to join public safety leaders in supporting me, Ryan Hutchison, for City Council. Thank you.

I moved to Rancho Cucamonga when I was in elementary school and attended local schools all the way from Bear Gulch Elementary to Chaffey College. After Chaffey I went to work for FedEx, I started as a driver and eventually was promoted into management. Wanting to advance my career even further, I decided to go back to school and earned a bachelor's degree from the University of Redlands. Earlier this year, I had the opportunity to venture out and open my own business. I founded Jimenez Ground Inc, a company that provides delivery services for FedEx Ground.

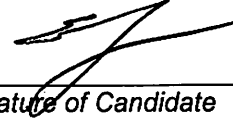

Small businesses like mine are the backbone of our local economy. We provide good paying jobs and support the local economy. As your councilman, I will ensure that we create the perfect climate for small businesses to be created and thrive. I will also support the already existing businesses, by creating a program that will provide aid during this economic inflation.

As a father, my priority is that my daughter has a safe and prosperous city to grow up in much like the one I was raised in.

I humbly ask for your vote, I will be your voice at city hall.

As someone who grew up in Alta Loma, and graduated Alta Loma High School, I care deeply about our community, which is why I am running for city council. I want to preserve our quality of life and keep our community safe.

Our city used to be one of America's safest. Now, because of California's soft-on-crime policies, a Rancho Cucamonga law enforcement officer was recently shot by a paroled felon. As a mother, I want our children to grow up in safe community which is why I will fight to increase the number of law enforcement officers.

As a business owner, I know how to prioritize spending and balance a budget. I will ensure our city's budget is balanced, without raising our taxes.

Rancho Cucamonga has grown dramatically since I grew up here, and I believe we need to manage growth and minimize the impacts of over-development and sprawl. I also believe we should invest in our parks and trails and keep them clean and well maintained.

Together, we can protect our quality of life and make Rancho Cucamonga the safest city in the Inland Empire. I would be honored to earn your vote.
