RCFD Fire Explorer Job Description

Salary: Volunteer Position

Department: Rancho Cucamonga Fire District

Opening Date: Thursday, September 7 at 8:00 AM

Closing Date: Thursday, October 19 at 5:00 PM

DEFINITION:

The Fire District's Fire Explorer Post was established in 1997. The Explorer Post gives youths between the ages of 16 and 21 the opportunity to explore the various career opportunities available in the fire service. Explorers receive both hands-on and classroom training. Once an Explorer can demonstrate that they have the necessary skills and meet the qualifications, they can join firefighters on ride-alongs to observe actual emergency calls.

The Explorer Post is led by professional firefighters known as Fire Explorer Post Advisors. These firefighters instruct and oversee the program activities with an emphasis placed on youth safety. Advisors will provide leadership, training, and education.

Explorers are volunteers and never used in place of paid firefighters.

EXPLORING PROGRAM:

Exploring is a unique career exploration program for young men and women. The work-based portion of Learning for Life builds on character lessons and brings the world of work alive by offering youth participants an opportunity to learn firsthand about fire career fields through the Exploring Program. This helps them determine if this is their correct career path. Exploring's purpose is to provide experiences to help young people mature at this stage in their lives and to prepare them to become responsible and caring adults.

ESSENTIAL FUNCTIONS:

- Training will include firefighting skills, hose lay evolutions, ladder techniques, salvage operations, wildland firefighting procedures, proper use of firefighting tools and equipment, breathing apparatus use, EMS skills, CPR, first aid, and other related subjects.
- After demonstrating necessary skills and meeting qualifications, Explorers can participate in ride-alongs on the fire engine and truck to observe first-hand what is required of firefighters operating in real emergencies.
- Will learn how to prepare for a competitive and aggressively sought-after career by leaders in the fire service and past explorers who are now working on their fire service careers.
- Training shall consist of lectures, manipulative and physical training, self-study, annual academies, and multi-company drills provided by qualified officers, firefighters, and qualified explorers.
- Upon completion of different levels of training Explorers may participate in some or all of the following: assist with Fire Prevention programs; assist with Public Relations or Public Education programs; and perform a variety of community service-related projects.

EMPLOYMENT STANDARDS:

Education and/or Experience:

- Explorer shall maintain a current grade point average of at least 2.75 and no grade lower than a "C." (High school students only)

All statements made on the application are subject to investigation and verification. Applications will be screened and the most qualified candidates who best match the needs of the District will be invited to compete further in the examination process. Candidates who successfully pass the examination process, will be placed on an eligibility list. The candidate on the eligibility list who most closely meets the requirements of the District may be selected to join the RCFD Fire Explorer Team. The District may conclude that none of the candidates, even those who meet the minimum qualifications, are appropriate to join the team.
