Evaluation of Performance

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This 2023-2024 Consolidated Annual Performance and Evaluation Report (CAPER) is the City of Rancho Cucamonga's report to the U.S. Department of Housing and Urban Development (HUD) describing the use of federal Community Development Block Grant (CDBG) funds. The CDBG program provides a wide range of eligible activities that provide decent housing, suitable living environments and expanded economic opportunities for low- and moderate-income persons.

The five-year Consolidated Plan establishes priorities and goals used to guide decisions about the specific projects and activities that receive CDBG funding every year in the Annual Action Plan. The City implements some projects and activities directly and awards funds to non-profit or public organizations that implement programs in furtherance of the Consolidated Plan goals.

This CAPER provides the City's progress report for the fourth Program Year of the 2020-2024 Consolidated Plan, covering the period from July 1, 2023, to June 30, 2024. For the 2023-2024 Program Year, the City received \$1,093,593 of CDBG funds from HUD. Together with other federal, state and local investments, HUD resources allowed the City and its partners to address the high priority needs identified in the 2020-2024 Consolidated Plan.

Table 1 provides a summary of the five-year goals, one-year goals, and one-year accomplishments for the period ending June 30, 2024, arranged by each of the Strategic Plan Goals included in the 2020-2024 Strategic Plan of the Consolidated Plan.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Each of the housing, public service, and capital improvement activities receiving CDBG funds in the City’s Action Plan address specific high priority needs identified in the 2020-2024 Consolidated Plan. Table 1 on the previous page provides a summary of the City’s accomplishments and the one- and five-year goals of the 2023-2024 Action Plan and the 2020-2024 Consolidated Plan, respectively, as of June 30, 2024. Based on the information in Table 1, the City and its housing and community development partners made progress towards each of the goals included in the 2023-2024 Action Plan.

The 2023-2024 Action Plan addressed each of the high priority needs identified in the 2020-2024 Consolidated Plan. The program accomplishments for each category are discussed below:

- **Fair Housing Services:** Inland Fair Housing and Mediation Board provided 74 Rancho Cucamonga residents with fair housing and landlord-tenant mediation services.
- **Public Services:** Nine (9) non-profit organizations and multiple City Departments provided a range of services to Rancho Cucamonga seniors, survivors of domestic violence, and low- and moderate-income families including but not limited to providing meals to 277 elderly individuals, homeless shelter services for 288 resident, nutritional health services to 469 people, recreational activities to 178 seniors, and rental assistance for 19 residents.
- **Affordable Housing Preservation:** The City’s Home Improvement Program completed 6 housing rehabilitations for low- and moderate-income homeowners to address deficient housing conditions.
- **Public Facilities and Infrastructure Improvements:** The City evaluated its Capital Improvement Plan and determined to merge its 2023-2024 and 2024-2025 Concrete Rehabilitation Project funds into one larger project during the 2024-2025 PY. The City is anticipated to bid out this project and award as contract during the first quarter of the 2024-2025 PY, with construction anticipated to commence during the second quarter of the 2024-2025 PY. Once completed, the project is anticipated to assist 16,330 people (ADA Improvements).
- **COVID-19 Response:** The City of Rancho Cucamonga invested its CDBG-CV funds into the Small Business Assistance and Microenterprise Assistance programs. The Business Relief programs are economic development activities that provided grants to micro- and small businesses adversely impacted by the COVID-19 pandemic. The business relief programs were rolled out in May of 2021. During the 2021-2022 program year, the City was able to assist 10 microenterprise businesses and 36 small businesses with financial assistance to pay for eligible expenses including but not limited to payroll, rent, utilities, and equipment.

Each of the activities that were underway during the 2023-2024 Program Year are listed in Figure 1 on the following page, including the amount of CDBG funds allocated to the activity and the amount spent as of June 30, 2024. Figure 2 provides the numeric accomplishment goal for each activity and the level of accomplishment as of June 30, 2024.

Construction of Public Facilities and Infrastructure Improvements such as the Concrete Rehabilitation Project which will be merged with future 2024-2025 PY dollars is anticipated to be completed during the 2024-2025 PY. Therefore, this project will be reported as "complete" in the 2024-2025 CAPER.

COVID-19 Allocations

In response to the COVID-19 pandemic, Congress passed the Coronavirus Aid, Relief, and Economic Securities (CARES) Act and it was signed into law on March 27, 2020, authorizing \$2.2 trillion for a variety of measures to prevent, prepare for, and respond to the COVID-19 pandemic. Under the CARES Act, HUD provided special allocations of CDBG funds to the City. In total, the City received \$1,591,323 of CDBG-CV funds to prevent, prepare for, and respond to the COVID-19 pandemic.

CDBG-CV funds must be fully spent by June 24, 2026. As of the date of this report, the City has fully drawn down on their full allocation of CDBG-CV funds. Each of the CDBG-CV activities approved by the City Council are summarized in Figures 3 and 4 on the following pages.

NOTE: This table generated by HUD's database provides the resources made available in the 2023-2024 Action Plan and the total CDBG expenditures during the 2023-2024 Program Year. The amount expended may include prior year activities that were completed during the 2023-2024 Program Year.

Narrative

The 2023-2024 HUD formula grant resources allocated in the Action Plan for the implementation of projects are identified in Table 3. The total CDBG resources allocated in the 2023-2024 Action Plan includes \$1,986,831 of CDBG funds (includes prior year resources). Together with other federal, state, and local investments, these resources allowed the City and its partners to address the high priority needs identified in the 2020-2024 Consolidated Plan.

Under the CARES Act, HUD provided special allocations of CDBG funds to the City. In total, the City received \$1,591,323 of CDBG-CV funds to prevent, prepare for, and respond to the COVID-19 pandemic.

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Citywide	80%	22%	All other activities
CDBG Eligible	2%	2%	BHH, CASA, and Graffiti
Slum/Blight Area	18%	0%	Pecan & Whittram Street Imp. Project

Narrative

During the 2023-2024 Program Year, the City allocated 82 percent of its non-administrative CDBG funds to projects and activities that benefit low- and moderate-income persons throughout the City. It is important to note that due to the nature of certain public service activities such as Graffiti Removal, CASA, and the Farmer's Market, those are generally limited to the eligible low- and moderate-income areas, while most other public services are available citywide.

A total of 18% was allocated to the City's Pecan & Whittram Street Improvement Project to address Slum & Blight opportunities. However, upon further review, the City has determined to cancel this activity via a Substantial Amendment at the City's scheduled Council meeting on September 4, 2024.

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

To address housing and community development needs in the City, CDBG entitlement grants are used to leverage a variety of funding resources to maximize the effectiveness of available funds. The CDBG public service activities leveraged private, state, and other federal funds to deliver services for low- and moderate-income people.

During the program year, the City did not identify and did not use any publicly owned land or property located within the jurisdiction to address the needs identified in the Consolidated Plan. The City does not currently own land or property that is suitable for use in addressing the needs identified in the Consolidated Plan. Additional leveraging opportunities include, but are not limited to, those listed below.

Federal Resources

- Continuum of Care (CoC) Program
- HUD Veterans Affairs supportive Housing (HUD-VASH)
- Supportive Housing for the Elderly (Section 202)
- Supportive Housing for Persons with Disabilities (Section 811)

Matching Requirements

The CDBG regulations do not require a match contribution; however, the City encourages its awarded departments and agencies to leverage the CDBG funding to further aid in the assistance provided to its residents.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

Table 5 - Number of Households

	One-Year Goal	Actual

Number of households supported through Acquisition of Existing Units	0	0
Total	51	36

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

As the City's housing stock ages, a growing percentage of housing units may need rehabilitation to allow them to remain safe and habitable. The situation is of particular concern for low- and moderate-income homeowners who are generally not in a financial position to properly maintain their homes. As such, preservation of affordable housing was identified as a high priority need in the 2020-2024 Consolidated Plan and Strategic Plan goals were established to provide the framework necessary to invest CDBG funds to address affordable housing needs including the rehabilitation of existing homes.

Tables 5 and 6 indicate the number of households supported with affordable housing assistance through the CDBG program during the 2023-2024 Program Year.

Affordable housing renovations are typically multi-year projects and are subject to the ability to secure funding from various sources. Often, the ability to meet the anticipated goals is dictated by various factors that can create disparities between goals and actual outcomes such as: funding availability, rising costs of raw materials, timing, and project schedules. Unexpected challenges are commonly encountered during the repair phase of the project which causes delays that impact project delivery.

In addition, the City continues to address affordable housing needs via its participation in the HOME Consortium and through fair housing services to ensure equal access to housing opportunities for low- and moderate-income people.

Discuss how these outcomes will impact future annual action plans.

The 2020-2024 Consolidated Plan identified a high priority need to preserve the supply to affordable housing. During the 2023-2024 Program Year, the City invested CDBG funds in the rehabilitation of six (6) owner-occupied housing units. In addition, the City currently has multiple households that have been approved under the Housing Improvement Program and are currently in different stages of the construction process (i.e., preparation of Work Write Ups, out to bid or under construction). All current projects are anticipated to be completed during the 2024-2025 program year.

In addition, during the 2023-2024 program year, the City awarded CDBG funds to Impact Southern California and Inland Valley Hope Partners who were able to provide rental assistance to 19 and 11 unduplicated residents, respectively.

In future Action Plans, the City anticipates continuing to invest CDBG funds to address the rehabilitation of existing substandard housing. As community needs change the City may need to undertake additional activities to best achieve the City's ability to meet its affordable housing goals. All future Annual Action Plans will provide additional information on any on-going affordable housing activities and the City will continue to assess and determine affordable housing needs that best utilize available funding sources.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Table 7 - Number of Households Served

Number of Households Served	CDBG Actual
Extremely Low-income	6
Low-income	11
Moderate-income	19
Total	36

Narrative Information

The 2020-2024 Consolidated Plan identified a high priority need to preserve the supply of affordable owner-occupied housing. To preserve housing that is already affordable to low- and moderate-income homeowners, the City's Home Improvement Program provided financial assistance to six (6) households during the 2023-2024 PY. The six (6) households served included one (1) extremely low-income households, one (1) low-income households and four (4) moderate-income households.

The City's collaboration with Impact Southern California and Inland Valley Hope Partners provided financial assistance for rental and rental arrear payments to prevent homelessness and/or rapidly rehousing 30 unduplicated residents during the 2023-2024 PY. The 30 households served included five (5) extremely low-income households, 10 low-income households and 15 moderate-income households.

To address what HUD defines as "worst case housing need" the City provided funds in the 2023-2024 Action Plan for the preservation of the physical and functional integrity of existing housing units occupied by low- and extremely low-income residents who would otherwise continue to live in substandard housing because they were not in the financial position to properly maintain their home. This includes attempts to meet the needs of persons with disabilities by making necessary improvements which aid the mobility of the elderly and physically disabled such as shower units with seats, handrails, ramping and reconstructing doorways.

Addressing substandard housing conditions through housing preservation activities is a cost-effective way to invest limited resources to retain housing units that are already affordable to low- and moderate-income residents and ensure all economic segments of the community have the opportunity to live in decent housing.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The most recent San Bernardino County Point-In-Time Homeless Count (PIT Count) conducted in 2024 revealed that on any given night in San Bernardino County, approximately 4,255 people are homeless, up from 4,195 counted in a prior effort undertaken in 2023. This includes 1,200 people in shelters and 3,055 people without shelter. In Rancho Cucamonga 83 people were counted who did not have shelter and 0 people counted who were sheltered, for a total of 83 homeless residents.

To reach out to unsheltered homeless persons and assess their individual needs for the purpose of connecting them with available emergency shelter and transitional housing resources, the City, through its Sheriff's Homeless Outreach and Proactive Enforcement (HOPE) Team provided information and referrals – primarily to the San Bernardino County Continuum of Care (CoC), United Way 2-1-1, and the organizations receiving CDBG funds for homelessness prevention activities.

During the 2023-2024 Program Year, the City awarded three (3) contracts to non-profit organizations using CDBG funds totaling \$52,687 to meet its specific objectives to provide public services that prevent and eliminate homelessness.

- Foothill Family Shelter: Housing and Food Security (288 residents served).
- Impact Southern California: Homeless Prevention/Rapid Rehousing Program (19 residents served).
- Inland Valley Hope Partners: Food Security/Family Stabilization Program (11 residents served, specifically with rental assistance)
- Additionally, the City's partnership with the San Bernardino County CoC and Sheriff's Homeless Outreach and Proactive Enforcement (HOPE) team provides intensive, field-based engagement services and support that meets clients and their families where they live. As a result, the City has been able to leverage its partnerships with the County agencies to bolster its homeless outreach.

Addressing the emergency shelter and transitional housing needs of homeless persons

To address the emergency shelter and transitional housing needs of homeless persons, the City continues to support the Foothill Family Shelter program that provides transitional housing, counseling, and case management to individuals experiencing homelessness as well as families at risk of homelessness. During the Program Year, Foothill Family Shelter served 288 unduplicated persons via its Housing and Food Security program.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The COVID-19 pandemic resulted in significant business closures and other disruptions that put the City's residents at risk of losing their housing. To help low-income individuals and families avoid becoming homeless, the City supported Inland Valley Hope Partners' Food Security and Family Stabilization program which provided 93 unduplicated persons with a five-day food supply. More specifically, these services assisted in minimizing these individual's food costs thereby enabling them to utilize their limited resources on other key necessities such as housing, childcare, and transportation.

Furthermore, the City also supported Impact Southern California's Homeless Prevention/Rapid Rehousing Program and Inland Valley Hope Partners Food Security/Family Stabilization Program which provided assistance to 30 unduplicated persons. The programs provided services that included eviction prevention strategies (case management, tenant rights counseling, one-time payments of rent due, etc.), homeless prevention/rapid rehousing strategies (housing search, case management, landlord-tenant negotiations, etc.) and homeless diversion counseling (short-term services and one-time financial assistance).

SB 1152 requires hospitals to develop a written homeless patient discharging planning policy that coordinates services and referrals with regional social services agencies, medical care and county behavioral services.

Inadequate discharge planning and coordination contributes to homelessness in situations where people are released from public institutions or public systems of care without having an appropriate mainstream or supportive housing option available upon discharge from an institutional setting. Public institutions such as jails, hospitals, treatment facilities, mental health facilities, youth facilities, and foster care homes are central to limiting the creation of newly homeless persons upon discharge.

In California, discharge coordination and planning are largely unregulated unless county or municipal ordinances provide rules preventing public institutions from discharging people into homelessness. One of the goals included in the San Bernardino Ten Year Strategy to End Homelessness is to formalize protocols and improve the coordination of discharge planning among key institutional systems of care and supervision. The goal calls for the CoC to close the "front door" to homelessness so that new people do not find themselves living in the community without the social and economic support necessary to access and maintain themselves in a safe environment.

The City coordinated with the CoC and other subrecipients receiving CDBG funds to ensure that its HUD-funded programs are targeted, to the greatest extent feasible, to address the discharge of persons from publicly funded institutions or systems of care so that these individuals and families have access to public

services and affordable housing opportunities necessary to prevent homelessness. The City will continue to explore additional ways to prevent and address homelessness caused by discharge from public institutions.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

To address the needs of homeless families, families with children, veterans and their families, the City provided \$52,687 of CDBG funds for public service programs through three (3) contracts with non-profit organizations. These programs help individuals and families achieve stability through a housing first approach.

Each of these programs provides tailored counseling and case management services to people at risk of homelessness. During the program year, Foothill Family Shelter served 288 unduplicated people through its 120-Day Stepping Stones project. Additionally, Impact Southern California served 19 unduplicated people through its Homeless Prevention/Rapid Rehousing program and Inland Valley Hope Partners served 11 unduplicated people through its Food Security/Family Stabilization Program. When paired with financial counseling, career coaching, and other available case management services, the City's non-profit partners make certain that individuals and families have the tools necessary to succeed.

Additionally, the City's partnership with the San Bernardino County CoC and Sheriff's Homeless Outreach and Proactive Enforcement (HOPE) team provides intensive, field-based engagement services and support that meets clients and their families where they live. As a result, the City has been able to leverage its partnerships with the County agencies to bolster its homeless outreach.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

There are no public housing developments in the City. The data presented below is for the Housing Authority of the County of San Bernardino (HACSB) and the narrative questions address the needs for the entire County, with specific references to the City.

According to the 2022 Annual Report, the HACSB has one (1) Public Housing unit remaining. All public housing programs consist of Housing Choice and Project-Based Housing Choice Vouchers administered by the HACSB. The HACSB administered a total of 10,461 Housing Choice Vouchers combined. Of those, approximately 404 or 3.9 percent of all vouchers in San Bernardino County were utilized by low-income Rancho Cucamonga residents. HACSB monitors all units to ensure they are in adequate condition, meeting the Section 8 Housing Quality Standards (HQS).

To enhance the quality of HUD Public Housing units, HACSB continued to work towards converting existing HUD Public Housing units under HACSB's management and control to Section 8 units as part of HUD's Rental Assistance Demonstration (RAD) program. HACSB had converted its entire original portfolio of public housing under RAD by the end of 2019. Subsequently in May 2022, HACSB finalized its conversion of all RAD units with the 98-unit Los Olivos development in Upland (FY 2023 Moving to Work Annual Plan, HACSB). Additionally, HACSB purchased Northport Apartments in the City of Victorville, which will deliver 29 affordable units. The site will provide 29 project-based voucher units that are planned for availability by November 2024 (Proposed FY 2025 Moving to Work Annual Plan, HACSB).

HACSB continues to maintain and expand the supply of affordable housing units in the City and throughout the County through its partnerships with the State of California and San Bernardino County Department of Community Development and Housing. As the largest provider of affordable housing in San Bernardino County, HACSB assists approximately 24,299 people, most of whom are seniors, individuals with disabilities, veterans, and children. Approximately 10,462 families are served through housing assistance payments made to landlords on behalf of the families. Other families reside in units owned and managed by HACSB. These programs provide a critical safety net for families in the County.

Due to rising rents and low vacancy rates in San Bernardino County, HACSB has been working with HUD to expand its Local Payment Standards Moving to Work (MTW) initiative to allow HACSB to be more adaptable to changing market rents. In 2023, HACSB modified their Local Payment Standards MTW Initiative to allow them to make mid-year changes to their Local Payment Standards for MTW vouchers. With these changes, if market rents shifted suddenly and dramatically, HACSB would have been able to adjust their Local Payment Standards to adapt to the current market. HACSB also modified their methodology for determining Local Payment Standards to anticipate market growth (HACSB Annual Report 2023).

HACSB developed a MTW initiative that allowed HACSB to create temporary financial incentive programs for landlords who enter into a lease with a new Housing Choice Voucher (HCV) participant, as well as create a damage mitigation program to help offset the cost of tenant-caused damages. The first step was HACSB's

Landlord Signing Bonus, which provided an incentive payment of \$1,000 to landlords for each unit newly leased to a HACSB MTW voucher program participant. During the 2022-2023 program year, HACSB was able to pay \$895,193 to landlords through the Landlord Signing Bonus program (HACSB Annual Report 2022).

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

HACSB encourages residents to be actively involved in the community and in the management of public housing developments through resident councils and numerous opportunities for feedback such as community meetings and surveys. HACSB and the City also actively encourage and promote public housing residents to explore homeownership opportunities and programs through HACSB's Homeownership Assistance Program (HAP) targeted at current residents. HACSB also encourages and supports residents in participating in homebuyer counseling programs and recommends residents use the family self-sufficiency escrow account to save money towards homeownership. Under the Family Self-Sufficiency (FSS) Program, participants develop a five-year training and service plan that outlines the steps to become employed, increase their earnings, and become independent of government assistance. Upon graduation of the FSS Program, graduates are allowed to use the escrow account funds towards homeownership. In 2022, the program served 140 households and had seven (7) households graduated with over \$92,000 in escrow savings. It is reported that current participants have accrued approximately \$200,000 in escrow savings. The savings were reportedly used for paying down payments to purchase a home, build a small business, pay for education, and other self-sufficiency activities (HACSB 2022 Annual Report).

Under the Housing Authority's HAP program, families are provided mortgage assistance for up to 15 years for working families and up to 30 years for disabled families. A total of 258 clients have become homeowners through the program since 2000 (FY 2023 MTW Plan).

In addition, the City provided several resources on services for foreclosure prevention and counseling.

Actions taken to provide assistance to troubled PHAs

Not applicable. The HACSB is designated as a High Performing Public Housing Agency.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

A barrier to affordable housing is a public policy or nongovernmental condition that constrains the development or rehabilitation of affordable housing, such as land use controls, property taxes, state prevailing wage requirements, environmental protection, cost of land and availability of monetary resources. Barriers to affordable housing are distinguished from impediments to fair housing choice in the sense that barriers are lawful and impediments to fair housing choice are usually unlawful.

Based on information gathered during community meetings, the Consolidated Plan Survey, the 2021-2029 Housing Element and market analysis, the primary barriers to affordable housing in the City continue to be housing affordability and the lack of monetary resources necessary to develop and sustain affordable housing. The two barriers are related in the sense that demand for affordable housing exceeds the supply and insufficient resources are available to increase the supply of affordable housing to meet demand.

To address housing affordability and the lack of monetary resources for affordable housing, the 2020-2024 Consolidated Plan included strategies that invested a significant portion of CDBG funds for the rehabilitation of 100 affordable owner-occupied housing units during the five-year planning period. Although the City no longer has access to Redevelopment Housing Set-Aside funds, the City continued to leverage its CDBG funds to attract private and other available public resources.

In the development of the 2021-2029 Housing Element, the City evaluated significant public policies affecting affordable housing development such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges and growth limitations. Based on this evaluation, the City determined that it has taken all necessary steps to ameliorate the negative effects of public policies that may have been a barrier to affordable housing. Moreover, the City is actively engaged with affordable housing developers concerning the siting of affordable housing and ensuring that the entitlement process runs smoothly from inception to completion. Action plans identified in the City's 2021-2029 Housing Element included but were not limited to:

- Continued efforts to promote the conservation of mobile home parks through implementation of the Mobile Home Accord (Program HE-7) that serves as a rent stabilization agreement between the City and mobile home park owners, implementation of the Mobile Home Rental Assistance (Program HE-8) that provides a monthly rental subsidy to low-income mobile home households, and through the enforcement of Title 24 as it applies to mobile homes to ensure mobile homes meet applicable building code requirements.
- Development of procedures to monitor the development of vacant and nonvacant sites in the sites inventory and ensure that adequate sites were available to meet the remaining Regional Housing Needs Allocation (RHNA) by income category throughout the 6th cycle planning period.

- Explored a system that established target densities by land use district and an in-lieu fee system that requires developers to pay a fee if the proposed project fell below the targeted densities.
- Developed incentives and tools to facilitate ADU construction that included:
 - Fee waivers or reductions beyond State requirement;
 - Pre-approved site/floor plans;
 - Website information on resources and technical assistance; and
 - Guidance handbook for property owners looking to construct Accessory Dwelling Units (ADUs).
- Provided fee underwriting, fee deferral, public improvements, and/or permit fast-tracking for housing affordable to lower income households, prioritizing projects that included units affordable to extremely low-income households.
- Continued to evaluate and improve the permit processing procedures to facilitate residential development.
- Continued to study the feasibility of an inclusionary housing ordinance.
- Updated the Development Code to address the provision of special needs housing specifically for Low Barrier Navigation Centers (AB 101), Emergency and Transitional Housing (AB 139), Supportive Housing (AB 2162), Large Residential Care Facilities, and Definition of Family.
- Updated the Development Code to incorporate the new density bonus provisions which allowed for approval of development incentives such as reduction in certain development standards such as reduced setbacks, reduced public/private open space, increased maximum lot coverage and increased building height.

Key improvements and bonuses included to help increase the development of affordable housing included but were not limited to:

- Construction of ADUs provide for an important source of affordable housing for persons and families of low and moderate income. An ADU is defined as “an attached or detached residential dwelling unit which provides complete independent living facilities for one or more persons. It shall include permanent provisions for living, sleeping, eating, cooking and sanitation on the same parcel as a single-family or multi-family dwelling is situated”. The City adopted an updated accessory dwelling unit (ADU) ordinance in 2020 which complied with State requirements. Per the ordinance, ADUs are permitted by-right in any zone in which residential development is permitted and on any parcel with an existing or proposed single or multi-family residence.
- A Housing Program was added to update Development Code Chapter 17.46 to comply with the new State provisions related to affordable housing density bonuses. The City's Affordable Housing Incentives/Density Bonus Provisions assisted in the development of affordable housing opportunities in accordance with Government Code § 65915-65918. These provisions allowed a density bonus and other regulatory concessions to provide incentives for "the production of housing for very low income, lower income, moderate income, and senior households" to "facilitate the development of affordable housing" within the City. The provisions functioned by allowing a reduction in development standards in exchange for the development of affordable housing units. Regulatory concessions act as incentives, which included reduced building setbacks, reduced open space, increased lot

coverage, increased maximum building height, reduced on-site parking standards, reduced minimum building separation requirements, or other site or construction conditions applicable to residential development.

- The City's Community Development home page provided links to an online permit center, development fees, the development code, and other development information at <https://www.cityofrc.us/community-development>.

The following were steps the City took to reduce government constraints and increase the efficiency in processing for improving and developing housing as defined in the 2021-2029 Housing Element:

- Development Review Process - Incorporated new polices, codes, and procedures that reduced procedural delays, provided information early in the development process regarding development costs, and charged only those fees necessary to adequately carry out needed public services and improvements.
- Fee Schedule - Reviewed and updated the City's fee schedule and the methodology on which the fees are based to determine the necessary costs for providing adequate public services and public improvements to ensure the continued health, safety, and welfare of the community.
- Development Review Process - Facilitated the development review process for new housing through multiple techniques, including staff assistance, public information, articles in the City's newsletter, informal meetings with applicants, and Preliminary Review applications to address technical issues and facilitate the production of quality housing.
- Development Standards - Evaluated and adjusted residential development standards, regulations, and processing procedures that were determined to constrain housing development, particularly housing opportunities for lower and moderate-income households and for persons with special needs.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The primary obstacles to meeting the underserved needs of low- and moderate-income people include lack of funding from federal, state and other local sources, the high cost of housing that is not affordable to low-income people, and the lack of availability of home improvement financing in the private lending industry.

To address these obstacles, the City continued to invest CDBG funds through the 2023-2024 Action Plan in projects that provided assistance to low- and moderate-income homeowners for home improvements, projects that provided public and neighborhood services to low- and moderate-income people and projects that prevented homelessness.

To address underserved needs, the City allocated 100 percent of its non-administrative CDBG investments for Program Year 2023-2024 to projects and activities that benefit low- and moderate-income people.

The City used its CDBG funds to leverage appropriate state, local, and private resources secured by each non-profit organization providing public services. In addition, the City will seek to leverage other sources of federal, state, and local resources to compliment CDBG funds to meet the underserved needs in the community.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X) emphasizes prevention of childhood lead poisoning through housing-based approaches. To reduce lead-based paint hazards, the rehabilitation of housing units built prior to January 1, 1978, included a lead-based paint testing and risk assessment process. When lead-based paint was identified, the City ensured that developers and contractors incorporated safe work practices and depending on the level of assistance, abated the lead-based paint as part of the scope of work to effectively reduce lead-based paint hazards to children in accordance with federal regulations. There were no instances of lead-based paint identified during the rehabilitation of housing units under the Home Improvement Program during program year 2023-2024.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

During the Program Year, the City supported the following strategies and actions to reduce the number of poverty-level families:

- Supported housing preservation programs that ensure low- and moderate-income households have a safe, decent, and appropriate place to live;
- Supported public services through various non-profits funded by CDBG that serve the community's youth, seniors, families, and residents with special needs; and
- Supported a continuum of housing and public service programs to prevent and eliminate homelessness.

In addition to these local efforts, mainstream state and federal resources also contributed to reducing the number of individuals and families in poverty. Federal programs, such as the Earned Income Tax Credit and Head Start, provide pathways out of poverty for families who are ready to pursue employment and educational opportunities. Additionally, in California, the primary programs that assist families in poverty are CalWORKS, CalFresh (formerly food stamps) and Medi-Cal. Together, these programs provided individuals and families with employment assistance, subsidy for food, medical care, childcare and cash payments to meet basic needs such as housing, nutrition and transportation. Other services were available to assist persons suffering from substance abuse, domestic violence and mental illness.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The institutional delivery system in the City is best represented through the collaboration between local government and an outstanding set of non-profit organizations that carry out a diverse array of public service programs to enrich the lives of residents. These relationships are collaborative—each organization partnering with the next to ensure that all City residents have the support necessary to lead fulfilling lives.

Affordable housing preservation activities were carried out by the Planning Department in partnership with housing contractors. Guided by the Strategic Plan, public service activities are carried out by non-profit organizations and City Departments to serve low- and moderate-income residents. The Planning Department works with the Public Works and Engineering Services Departments on city-owned public facilities and

infrastructure improvements to ensure their projects are delivered on time, within budget, and in compliance with all federal, state, and local regulations.

Through technical assistance and the annual Notice of Funding Availability (NOFA) process last winter, the City continued to develop and expand local institutional structure by strengthening existing partnerships and leveraging the experience of organizations that previously have not participated in locally-administered federal programs to expand the number of program offerings available to residents.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

To enhance coordination between public and private housing and social service agencies, the City invested CDBG funds and will continue consulting with and inviting the participation of a wide variety of agencies and organizations involved in the delivery of housing and supportive services to low- and moderate-income residents in the City.

Representatives of the City participated in the San Bernardino HOME Consortium. Additionally, City staff regularly participated in neighborhood meetings during the program year to coordinate the efforts of local organizations that worked in neighborhoods to address poverty through direct community engagement.

Identify actions taken to overcome the effects of any impediments identified in the jurisdiction's analysis of impediments to fair housing choice. 91.520(a)

Activities implemented during the 2023-2024 Program Year followed the recommendations of the Analysis of Impediments to Fair Housing Choice that was adopted by the City Council on April 15, 2020. For the 2020-2024 planning period, there is one (1) impediment to fair housing choice summarized below.

Discrimination Against Persons with Disabilities: According to data from the City's contracted fair housing service provider, the number of fair housing discrimination complaints on the basis of disability accounted for 62 percent of all complaints. The next two (2) closest discrimination complaint types include age and sex, each accounting for 10 percent of all complaints. Throughout the region, the state, and nationally, disability-related complaints are the leading basis of discrimination cited by residents, accounting for approximately two-thirds of all complaints in some jurisdictions, demonstrating a lack of understanding and sensitivity of the fair housing rights of persons with disabilities who experience difficulties when requesting reasonable accommodations or modifications. In particular, persons with cognitive disabilities experience significantly more problems with these accommodations.

The Analysis of Impediments to Fair Housing Choice included the following recommendation specific to the City:

- Work with the City's fair housing services provider, continue to invest in landlord and tenant counseling and mediation services, facilitate educational opportunities for landlords and tenants to provide information concerning the law as it pertains to reasonable accommodations and modifications.

- For the 2023-2024 Program Year, the City contracted with the Inland Fair Housing and Mediation Board (IFHMB) to provide fair housing education and general housing services to the City's residents to prevent incidences of housing discrimination. Implementation of the 2020-2024 Fair Housing Plan recommendations during the Program Year was principally undertaken by IFHMB, with the participation of the City's Planning Department.
- IFHMB provided online fair housing training during the 2023-2024 Program Year. The training was related to recognizing and reporting housing discrimination. The training was conducted via Zoom. Social media continues to be the platform to promote IFHMB's programs and services.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

To ensure that CDBG funds are used efficiently and in compliance with applicable regulations, the City provided technical assistance to all subrecipients at the beginning of the program year and monitored subrecipients throughout the program year via desktop monitoring of reimbursement requests and quarterly performance reports.

Technical Assistance

To enhance compliance with federal program regulations, the City made technical assistance available to prospective applicants to review the Consolidated Plan goals, program requirements, and available resources with potential applicants. Subsequent to the approval of the Annual Action Plan, a mandatory subrecipient workshop was held in June 2023 to review program regulations in detail, to provide useful forms and resources for documenting compliance, and to review the City's compliance procedures and requirements. Additionally, individualized technical assistance was provided on an as-needed basis during the Program Year.

Activity Monitoring

All activities were monitored, beginning with a detailed review upon receipt of an application to determine eligibility, conformance with a National Objective and conformance with an Action Plan goal. This review also examined the proposed use of funds, eligibility of the service area, eligibility of the intended beneficiaries and likelihood of compliance with other federal requirements such as the National Environmental Policy Act, the System for Award Management (SAM) debarment list, prevailing wage, Minority and Women Business Enterprise, Section 3, and federal acquisition and relocation regulations, as applicable.

Subrecipients were required to submit an audit and other documentation to establish their capacity, and any findings noted in the audit were reviewed with the applicant. Eligible applicants were then considered for funding. The City reviewed quarterly performance reports and invoices throughout the year as part of its desk monitoring.

During the 2023-2024 Program Year, the City completed its annual risk assessment to determine which CDBG public service activities to monitor to verify compliance. These monitorings are scheduled to be completed during the first quarter of the 2024-2025 Program Year. These reviews will include both a fiscal and programmatic review of the subrecipient's activities. The reviews will determine if each subrecipient complied with the program regulations and City contract. Areas of review include overall administration, financial systems, appropriateness of program expenditures, program delivery, client eligibility determination and documentation, reporting systems, and achievement toward achieving contractual goals. Following the remote monitoring, a written report will be prepared, delineating the result of the review and any findings of

non-compliance and the required corrective action. Subrecipients will be given approximately 14 days to provide the City with corrective actions taken to address any noted findings.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

In accordance with the City’s adopted Citizen Participation Plan, a public notice was published in the *Inland Valley Daily Bulletin* on August 15, 2024, notifying the public of the availability of the Consolidated Annual Performance and Evaluation Report (CAPER) for a 15-day public review and comment period. A copy of the public notice is included in Appendix A.

The draft CAPER was available from August 19, 2024, to September 4, 2024, on the City’s website. Physical copies were also available at City Hall in the City Clerk’s Office and Planning Department, first floor lobby, and Paul A. Biane Library. Residents were encouraged to review the CAPER and provide any written comments by mail to Flavio Nuñez, Management Analyst II, or via email to Flavio.Nunez@cityofrc.us. A summary of any written comments received during the public review and comment period are included in the CAPER submission to HUD as Appendix A.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The 2023-2024 Program Year was the fourth year of the 2020-2024 Consolidated Plan. The City made progress toward its five-year and one-year goals for this reporting period and did not change its program objectives or the projects and activities that utilized CDBG funds. The 2023-2024 projects that were able to continue were successful and therefore, no changes are anticipated to be made for the City's future objectives.

CDBG funded activities contributed significantly to the City's progress toward meeting the high priority needs identified in the Consolidated Plan. As shown in Table 1 on page 2 of this document, CDBG funds are contributing to all Strategic Plan goals including Fair Housing Services, Public Services, Affordable Housing Preservation and Public Facilities and Infrastructure Improvements.

APPENDIX A

Citizen Participation

NOTICE OF PUBLIC HEARING City Council Meeting September 4, 2024

Program Description: NOTICE IS HEREBY GIVEN that on Wednesday, September 4, 2024, at 7:00 P.M., the Rancho Cucamonga City Council will conduct a public hearing in the City Council Chambers to consider the draft Consolidated Annual Performance and Evaluation Report (CAPER) for program year 2023-2024.

Pursuant to the United States Department of Housing and Urban Development (HUD) regulations, the City of Rancho Cucamonga (City) has prepared the draft CAPER for program year 2023-2024. The draft CAPER provides a detailed account of how the City utilized its Community Development Block Grant (CDBG) funds from July 1, 2023, through June 30, 2024, to pursue the strategies, goals, and objectives proposed in the 2023-2024 Action Plan to address the housing and community development needs identified in the 2020-2024 Consolidated Plan.

Citizen Involvement: NOTICE IS HEREBY FURTHER GIVEN that the 15-day public review and comment period for the draft 2023-2024 CAPER commences on August 19, 2024, and runs through September 4, 2024. The purpose of the review period is to provide the public an opportunity to comment on the City's program performance as well as any emergent housing and community development needs.

Do you have any comments? Questions? Concerns? You are invited to attend a public hearing to be held by the City Council of Rancho Cucamonga on **Wednesday, September 4, 2024, at 7 p.m.** to provide public comment. Residents are encouraged to participate by attending in person at the City Council Chamber at 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. The agenda will be posted online at least 72 hours in advance of the hearing at <https://www.cityofrc.us/>.

The City Council is the final decision-making body for these items. If you challenge the City Council's action on this item in court, you may be limited to raising only those issues which you or someone else raised at this public hearing or in written correspondence received by the City at, or prior to, the public hearing.

Information Available: Copies of the draft 2023-2024 CAPER will be available for public review and comment from August 19, 2024 to September 4, 2024 at 10500 Civic Center Drive (City Hall), as well as 12505 Cultural Center Drive (Public Library) or online at: <https://www.cityofrc.us/housingresources>.

The City of Rancho Cucamonga encourages citizen participation in the CDBG program grant management process. If you are unable to attend the public hearing, written comments can be forwarded to the Planning Department at 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. The City Council will consider all comments received during the 15-day public review period at the public hearing on September 4, 2024.

ADA Compliance: It is the intention of the City of Rancho Cucamonga to comply with the Americans with Disabilities Act in all respects. If, as a participant and observer at this meeting, you will need special assistance beyond what is normally provided, the City of Rancho Cucamonga will attempt to accommodate you in every reasonable manner. Please contact the City Clerk's office at (909) 774-2023. Assisted listening devices are available at the meeting for individuals with hearing impairments. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. (28 CFR 35.102-35.104 ADA Title II)

NOTICE OF PUBLIC HEARING City Council Meeting September 4, 2024

Program Description: NOTICE IS HEREBY GIVEN that on Wednesday, September 4, 2024, at 7:00 P.M., the Rancho Cucamonga City Council will conduct a public hearing in the City Council Chambers to consider the draft Consolidated Annual Performance and Evaluation Report (CAPER) for program year 2023-2024.

Pursuant to the United States Department of Housing and Urban Development (HUD) regulations, the City of Rancho Cucamonga (City) has prepared the draft CAPER for program year 2023-2024. The draft CAPER provides a detailed account of how the City utilized its Community Development Block Grant (CDBG) funds from July 1, 2023, through June 30, 2024, to pursue the strategies, goals, and objectives proposed in the 2023-2024 Action Plan to address the housing and community development needs identified in the 2020-2024 Consolidated Plan.

Citizen Involvement: NOTICE IS HEREBY FURTHER GIVEN that the 15-day public review and comment period for the draft 2023-2024 CAPER commences on August 19, 2024, and runs through September 4, 2024. The purpose of the review period is to provide the public an opportunity to comment on the City's program performance as well as any emergent housing and community development needs.

Do you have any comments? Questions? Concerns? You are invited to attend a public hearing to be held by the City Council of Rancho Cucamonga on **Wednesday, September 4, 2024, at 7 p.m.** to provide public comment. Residents are encouraged to participate by attending in person at the City Council Chamber at 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. The agenda will be posted online at least 72 hours in advance of the hearing at <https://www.cityofrc.us/>.

The City Council is the final decision-making body for these items. If you challenge the City Council's action on this item in court, you may be limited to raising only those issues which you or someone else raised at this public hearing or in written correspondence received by the City at, or prior to, the public hearing.

Information Available: Copies of the draft 2023-2024 CAPER will be available for public review and comment from August 19, 2024 to September 4, 2024 at 10500 Civic Center Drive (City Hall), as well as 12505 Cultural Center Drive (Public Library) or online at: <https://www.cityofrc.us/housingresources>.

The City of Rancho Cucamonga encourages citizen participation in the CDBG program grant management process. If you are unable to attend the public hearing, written comments can be forwarded to the Planning Department at 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. The City Council will consider all comments received during the 15-day public review period at the public hearing on September 4, 2024.

ADA Compliance: It is the intention of the City of Rancho Cucamonga to comply with the Americans with Disabilities Act in all respects. If, as a participant and observer at this meeting, you will need special assistance beyond what is normally provided, the City of Rancho Cucamonga will attempt to accommodate you in every reasonable manner. Please contact the City Clerk's office at (909) 774-2023. Assisted listening devices are available at the meeting for individuals with hearing impairments. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. (28 CFR 35. 102-35. 104 ADA Title II)

LEP Compliance: Language Access Pursuant to Executive Order 13166

AVISO DE AUDIENCIA PÚBLICA

Reunión del Ayuntamiento

4 de septiembre de 2024

Descripción del

POR MEDIO DE LA PRESENTE SE NOTIFICA que el miércoles, 4 de septiembre de 2024, a las 7:00 P.M., el Ayuntamiento de la Ciudad de Rancho Cucamonga llevará a cabo una audiencia pública en la Cámara del Concejo Municipal de la Ciudad para considerar el borrador del Reporte de la Evaluación de Desempeño Anual Consolidado (CAPER, por sus siglas en inglés) de 2023-2024.

De conformidad con las regulaciones del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD, por sus siglas en inglés), la ciudad de Rancho Cucamonga (Ciudad) ha preparado el borrador del CAPER de 2023-2024. El borrador del CAPER proporciona una descripción detallada de como el Ayuntamiento de la Ciudad utilizó sus fondos de Subsidios Globales para el Desarrollo Comunitario (CDBG, por sus siglas en inglés) comenzando en julio 1, 2023 y terminando en junio 30, 2024 para proseguir las estrategias, metas, y objetivos propuestos en el Plan de Desempeño de 2023-2024 para abordar las necesidades de vivienda y desarrollo comunitario identificadas en el Plan Consolidado de 2020-2024.

Participación

ADEMAS, POR MEDIO DE LA PRESENTE TAMBIEN SE NOTIFICA que el periodo mínimo de revisión pública de 15 días del borrador del CAPER de 2023-2024 comienza el 19 de agosto de 2024 hasta el 4 de septiembre del 2024. El propósito del periodo mínimo de revisión es brindar al público la oportunidad de comentar sobre el desempeño del programa de la Ciudad, así como sobre cualquier necesidad emergente de vivienda y desarrollo comunitario.

¿Tiene algún comentario? ¿Preguntas? ¿Preocupaciones? Está invitado a participar en una audiencia pública que tendrá lugar en la ciudad de Rancho Cucamonga el **miércoles, 4 de septiembre de 2024 a las 7 p.m.** para proporcionar comentarios públicos. Se anima a los residentes a participar en persona a la Cámara del Ayuntamiento en 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. La Agenda se publicará en línea al menos 72 horas antes de la audiencia en <https://www.cityofrc.us/>.

El Ayuntamiento es el órgano decisorio final para estos temas. Si impugna la acción del Concejo Municipal sobre este tema en la corte, puede limitarse a plantear solo aquellos asuntos que usted u otra persona planteó en esta audiencia pública o en la correspondencia escrita recibida por la Ciudad en la audiencia pública o antes de ella.

Información disponible: Las copias del borrador del CAPER de 2023-2024 estarán disponibles para su revisión y comentario desde el 19 de agosto de 2024 hasta el 4 de septiembre de 2024 con el Secretario Municipal, en 10500 Civic Center Drive (Ayuntamiento), así como 12505 Cultural Center Drive (Biblioteca Pública) o en línea en <https://www.cityofrc.us/housingresources>.

La ciudad de Rancho Cucamonga fomenta la participación ciudadana en el proceso de gestión de subvenciones de los programas de CDBG. Si no puede participar en la audiencia pública, los comentarios por escrito se pueden enviar al Departamento de Planificación en 10500 Civic Center Drive, Rancho Cucamonga, CA 91730. El Ayuntamiento de la Ciudad considerará todos los comentarios recibidos durante el periodo de revisión pública de 15 días en la audiencia pública el 4 de septiembre de 2024.

Cumplimiento con ADA: Es la intención de la ciudad de Rancho Cucamonga cumplir con la Ley de Americanos con Discapacidades (ADA) en todos los aspectos. Si, como asistente a esta reunión, necesita asistencia especial más allá de lo que normalmente se proporciona, la Ciudad de Rancho Cucamonga intentará acomodarlo de todas las formas razonables. Comuníquese con la oficina del Secretario Municipal al (909) 774-2023. Los dispositivos de audición asistida están disponibles en la reunión para personas con impedimentos auditivos. La notificación 48 horas antes de la reunión permitirá a la Ciudad hacer arreglos razonables para garantizar la accesibilidad a esta reunión. (28 CFR 35. 102-35. 104 ADA Título II)

Contacto de la ciudad: Para obtener más información, comuníquese con Flavio Nunez, Analista de Gestión II, por correo electrónico a Flavio.Nunez@CityOfRC.us.

 Matrix Code: Street Improvements (03K) National Objective: LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 04/01/2021

Description:
 This multi-year project will utilize CDBG funds to reconstruct approximately 1500 linear feet of sidewalks, curbs and gutters that are not compliant with ADA standards and install streetlights along Pecan. These ADA compliant improvements assist disabled adults by ensuring they have a safe space to travel in close proximity to motor vehicles.

Description:

Inland Valley Hope Partners is requesting CDBG funding from the City to implement its Food Security/Family Stabilization Program. Implemented by Food Security Program Manager, Case Manager, Food Security Assistant/Diver, aided by 90+ Volunteers helping stock and distribute food and interview clients, the Food Security/Family Stabilization Program will provide low- and very low-income individuals and families who are residents of Rancho Cucamonga, with assistance to maintain their health, stretch their food dollars, and avoid homelessness by providing emergency food, supportive services, advocacy and housing assistance. Clients can obtain a 5-day supply of staple food (approx. 15 meal/household member), every 30 days, plus fresh meat and produce when available (Homeless every 2 weeks). Clients also access additional support through brief case management. Our Case Manager Provides assessment & services to clients with housing needs, either for temporary rental assistance or permanent housing assistance. Families unable to pay their rent may access one-time rental assistance (when available). Persons experiencing homelessness may receive a 3-5 day motel voucher, giving the family time to coordinate resources and find temporary or permanent housing. If they meet eligibility, Hope Partners is also able to aid a limited number of unhoused families with short to medium term rental assistance (up to 12 months) through our rapid rehousing program. Once in housing, the Case Manager provides ongoing services to endure household stability after rental subsidy expires. Eligibility is verified annually through household documentation including ID for each family member, proof of income (tax returns, paycheck stub or benefits certification), and proof of current address; homeless individuals state their situation (no proof needed). Client info and visits are recorded in Apricot CTK. In addition, beneficiaries of the Food Security/Family Stabilization Program will be able to receive services at The Sova Program Center at 904 E California St., Ontario, during Monday-Thursday 9:00 am - 3:00 pm.

Description:

Impact Southern California is requesting CDBG funding from the City to implement its Homeless Prevention-Rapid Rehousing project. Implemented by its Project Manager with 25 years of experience providing direct services for people experiencing or at risk of homelessness, the Homeless Prevention-Rapid Rehousing project, will provide low-moderate-income residents at-risk of becoming homeless with homeless diversion and eviction prevention services designed to help at-risk households achieve housing stability. Impact SoCal will use the awarded CDBG funds to pay for emergency rental assistance to help facilitate eviction preventing and homeless diversion problem-solving activities. In addition, beneficiaries of the Homeless Prevention-Rapid Rehousing project will be able to receive services at 10783 Edison Court, Rancho Cucamonga, by appointment as needed, during the hours of 9am-5pm, Monday-Friday. Impact SoCal will utilize an award of PY2023-24 CDBG funding from the City of Rancho Cucamonga to provide housing problem-solving counseling and short-term emergency rental assistance to help facilitate homeless diversion and eviction prevention solutions for approximately 40 low-moderate-income persons residing in Rancho Cucamonga who are housing costs burdened and at-risk of becoming homeless.

Description:

The City of Rancho Cucamonga's City Manager's Office is requesting CDBG funding from the City to implement its Bringing Healthy Homes program improve the quality of life of the under resourced community.

Implemented by the Community Programs Coordinator Joanna Marrufo, the Bringing Healthy Homes program, will provide low- and moderate-income residents with direct access to fresh fruits, vegetables, and value-added products (i.e., eggs, honey) from the Heritage Wellness Collective Farmers' Market. Participants are able to select nutritional seasonal produce every week at the market.

The beneficiaries of the program are Rancho Cucamonga residents that live in the low-moderate service area of eligibility. In addition, beneficiaries of the Bringing Healthy Homes Program will be able to receive services at the Terra Vista Farmers' Market located at Terra Vista Town Center in Rancho Cucamonga on Saturdays from 9 a.m.-2 p.m.

The Bringing Healthy Homes Program will provide public services (nutrition and health) to low- and moderate-income residents. BHH will provide a much needed public service to this vulnerable population, many of which are suffering from chronic health conditions. By removing cost barriers associated with purchasing healthy food at the farmers' market, low- and moderate-income residents will have the opportunity for improved quality of life.

The Bringing Healthy Homes programs addresses food insecurity and bridges the gap for this vulnerable population in need of affordable, healthy, and fresh food options. The City's ideal outcome of the program is to align that we are able to influence behavior change (i.e., increase daily consumption of fruits and vegetables) among the families in the program and in turn improve health outcomes and health conditions.

Description:

The City of Rancho Cucamonga's City Manager's Office is requesting CDBG funding from the City to implement the CASA program to improve health outcomes and quality of life for youth and adults in the community. Implemented by Community Programs Coordinator Joanna Marrufo, the CASA program will provide low- and moderate-income residents access to fresh healthy meals and hands-on nutrition education through weekly class taught by a nutrition instructor. The program uses the knowledge and skills of a nutrition instructor that provides afterschool and evening classes consisting of four, six-week sessions for a total of 24 classes throughout the year. Every week the class will highlight seasonal produce to use in recipes that are fun and easy to make at home. There will endure all recipes are accessible (available in local grocery markets), culturally appropriate (mindful of diverse cultures), and affordable (budget friendly) for families to recreate. Our instructor will emphasize the importance of nutrient dense foods because it impacts short and long-term health benefits. Many foods highlighted in the class will help in preventing chronic health conditions, boost immunity, and helps you stay full and satiated throughout the day. The CASA class empowers students to make behavior changes in their daily life because they have consistent support and resources to prepare a meal. The beneficiaries of the program are residents in Rancho Cucamonga that live in the low-moderate service area of eligibility. In addition, beneficiaries of the CASA will be able to receive services weekly at Los Amigos School from 3-5 p.m. and 5:30-7:30 p.m. The CASA program addresses food insecurity among low- and moderate-income families (youth and adults) by providing free weekly meals to residents who might otherwise go without a meal due to limited income or lack transportation options to attend regular nutrition education that teaches them the skills to prepare low budget options at home. Having the CASA class offering healthy, fresh food in a walkable and centrally located neighborhood of Los Amigos School removes various barriers for families who lack transportation to services. Our ideal outcome of the program is that we are able to influence behavior change (i.e. knowledge of preparing health meals and consumption of healthy foods) among the families in the program to improve health outcomes and reduce risk of chronic illness (i.e., obesity, high-blood pressure, diabetes) prevalent among at-risk populations.
