

More About Us

Mission Statement

We, the members of the Rancho Cucamonga Fire Protection District, are dedicated to serving the people of our community and the members of our organization.

Our mission will be accomplished daily by planning, promoting and demonstrating a readiness to respond to, and reduce, threats to life and property; through the traditional and innovative emergency and non-emergency services and programs we provide; and by applying the core values of the Rancho Cucamonga Fire Protection District.

Vision Statement

The Rancho Cucamonga Fire District is a cohesive team providing premier emergency and non-emergency services.

Core Values

Integrity

We stand undivided in promoting harmony and maintaining high ethical standards which include honesty, faith, compassion, loyalty, duty, and forgiveness.

Innovation

We encourage and support creative ideas which improve our programs and services.

Tradition

We respect the transcendent wisdom and time-honored practices which have set the foundation for our country and our profession.

Stewardship

We are vigilant in upholding the trust of the community, caring for their safety, and honorably managing their public resources.

Professionalism

We take pride in our proficiency, maturity, leadership and accountability to our mission.

People

We respect all people and care about their safety and well being regardless of status, origin, or personal beliefs.
